MAKES FIRST CONTRIBUTION - Mayor Hyle J. Carmichael of Romulus (center) signs Contributors Book in a "Gift of Love" fund campaign being conducted in the City of Romulus by a citizens group to purchase a

grand piano for the Romulus Senior High School auditorium's stage. Looking on are (from left) City Clerk Leonard J. Folmar and Mrs. Edward Williams, chairman of the fund drive.

Rhoads welcomed back at packed Huron meet

More than 360 Huron Township residents welcomed their "wandering supervisor" Douglas C. Rhoads, 29, when he returned after a 27-day disappearance.

The young, novice politician disappeared Feb. 9, and after wandering around various Florida communities for nearly a month "to rest and think things out," he returned March 8 to face the future.

During his long disappearance, Rhoads was out of touch with his family, friends and constituents. He has apologized several times since his return.

If he welcome he received at last Wednesday's township board meeting is any criterion, then Rhoads has a lot of voter support and will get much cooperation from residents in his resumption of the supervisor's post.

He was applauded several times at the township board meeting. Only a small group of critics, the township clerk George W. Moore, who was appointed acting supervisor during Rhoads' disappearance, and a few board members, raised voices against Rhoads.

On Monday, when contacted at his office, Rhoads reported that all is fine and things were beginning to get in shape.

At the end of the March 10 session even his critics agreed to give Rhoads another chance.

The young supervisor stated that the meeting was "the hardest part of coming back to his job." He said after the meeting that he saw a lot of friendly faces in the audience and it sure helped him a lot.

He stated that he is back to stay and is ready to go ahead with the programs that he had

originally planned for the future growth and development of the township.

He asked the board members to put aside their personal concerns and support the township.

His critics at the meeting felt that he had more to apologize for than his disappearance.

Moore was disturbed by Rhoads' statement on

television and in the newspapers.

"You said there are corrupt politicians out here who used our recent sewer project to their advantage," Moore said. "Who are you blaming for this?"

"I had no intention of singling out any present or former board members," Rhoads replied. "I will only try to better conduct future (Continued on Page 3)

Van Buren group may start anti-expansion referendum

A referendum drive against the proposed expansion of the Willow Run Airport will be initiated by the Van Buren Township Homeowners Association if the Wayne County Road Commission puts its final approval on the proposal.

Decision to take such a stand against the airport's expansion was made at last Thursday's meeting of the association held at the Belleville High School.

Petitions protesting the airport's expansion are

currently being circulated in both the City of Belleville and the Township of Van Buren by the association.

The signed petitions will be forwarded to the Board of Regents of the University of Michigan, owners of the Willow Run Airport, and to local representatives at Lansing.

Plans for a referendum drive were announced by Mrs. Joyce Rochowiak, secretary of the association, who reported also that the association felt the proposed development of the airport,

involving the take-over of 1,800 acres of Van Buren Township land, should not be left up to officials who are appointed and not elected directly by the people.

Members of the Wayne County Road Commission that recently announced the proposed expansion and development of the airport are appointed by the Wayne County Board of Commissioners.

The association is endeavoring to get the cooperation of homeowners

association and other organizations in surrounding communities to support their protest campaign.

Under the proposal for the airport's expansion, a \$100 million revenue bond issue to finance the project would be floated and backed by the full faith and credit of the Wayne County Board of Commissioners. No taxation would be involved.

The eastern boundary of the airport would be increased to Belleville Rd., north of Ecorse (Continued on Page 3)

Thinking of Calvary

Editor's Note: The following is the fourth of a series of Lenten Sermons by area pastors and leading churchmen. This week's article was submitted by Rev. Kimmion Crawford, pastor of the Grace Baptist Church of Belleville.

Luke 23:33-43: "And when they were come to the place, which is called Calvary, there they crucified Him, and the malefactors, one on the right hand, and the other on the left. Then said Jesus, 'Father, forgive them; for they know not what they do.' And they parted his raiment, and cast lots. And the people stood beholding. And the rulers also with them derided Him, saying, 'He saved others; let Him, coming to Him, and offering Him vinegar. And saying, If thou be the King of the Jews, save thyself. And a superscription also was written over Him in letters of Greek and Latin, and Hebrew, 'This is the King of the Jews.' And one of the malefactors which were hanged rallied on Him saying, 'If Thou be Christ, save Thyself and us.' But the other answering rebuked him saying, 'Dost not thou fear God, seeing thou art in the same condemnation? And we indeed justly; for we receive the due reward of our deeds; but this man hath done nothing amiss.' And he said unto Jesus, 'Lord, remember me when thou comest into Thy kingdom.' And Jesus said unto him, 'Verily I say unto thee, to day shalt thou be with me in paradise.'"

We are approaching the time of year when so many think of the crucifixion of our Saviour, the Lord Jesus Christ. We think of Calvary the cross and the sufferings of our Lord. I would like for you to notice that Calvary first of all was a place of suffering and pain.

Isaiah 53:3-6 "He is despised and rejected of man; a man of sorrows, and acquainted with grief: and we hid as it were our faces from Him. He was despised, and we esteemed Him not. Surely He hath borne our griefs, and carried our sorrows; yet we did esteem Him stricken, smitten of God, and afflicted. But He was wounded for our transgressions, He was bruised for our iniquities: the chastisement of our peace was upon Him; and with His stripes we are healed. All we like sheep have gone astray; we have turned everyone to his own way; and the Lord hath laid on Him the iniquity of us all."

Secondly it was a place of Pardon. We have already read about the thief who was pardoned for his sin. He cried, Lord remember me. My friend the Bible says in Romans 10:13 "For whosoever shall call upon the name of the Lord shall be saved." The Lord says call upon Me and I shall answer thee. How well I remember the day I called. He forgave me and all my sin and gave me peace in my heart.

Isaiah 12:18 "Come now, and let us reason together, saith the Lord: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool." You too can find forgiveness and salvation if you will call.

Thirdly Calvary was a Place of Promise. The Lord Jesus made a promise to the dying thief who had called upon the Lord asking to be remembered. The promise that he would be in paradise with Him that very day. My friend, we who believe have the promise of heaven. How wonderful to know that when life on this earth is finished for us that we go to be with the Lord.

What a wonderful place the Lord Jesus said in John 14:1-6 "Let not your heart be troubled; ye believe in God, believe also in Me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you, and if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there you may be also. And whither I go ye know, and the way ye know." Thomas said to him "Lord, we know not whither thou goest: and how can we know the way?" Jesus answered "I am the Way, the Truth, and the Life; no man cometh unto the Father, but by Me." He has gone to prepare a place which really means to tidy up the home for His people.

You can be in that great number if you will trust the Saviour really believe in Him and receive Him into your heart. John 1:12 "But as many as received Him, to them gave He power to become the sons of God, even to them that believe on His name."

I hope you will call upon Him today.

City giving full support to drug plan

The City of Romulus has given its full support to a community-wide drug education program initiated by the Romulus Area PTA Council.

The drug education program was developed after concerns were expressed by the delegates at the council's September meeting. The program is patterned after MYCON (Mayor's Youth Council On Narcotics).

The proposal has been presented to both the Romulus Board of Education and the Romulus City Council as a suggested beginning to deal with and fight the abuse of drugs and narcotics in the Romulus community.

Mayor Hyle J. Carmichael, in his report to city council March 11, reported the PTA's concern on the current drug abuse situation and asked the councilmen to join in the program against the abuse of drugs in the Romulus area.

They unanimously agreed to use the full forces of the city in the proposed education program.

The fight against drug abuse will get under way with an "Adults only" information program at 7:30 p.m. March 31 at the Romulus Progressive Club, 11580 Ozga Rd., Romulus.

This meeting had originally been scheduled for the Merriman Elementary School, 15303 Merriman Rd. but due to the expected crowd, it was arranged to transfer the

meeting to larger quarters.

The mayor reported to council that after the March 31 meeting, an advisory group will be set up to study the waste of drugs. "I am sure that before it is over, the city will be involved in the fight financially. I would like the council to go on record as supporting and cooperate in this program," Mayor Carmichael said.

Councilman Edmund Bizek made a motion to have the council support the drug education program. Council agreed and approved the motion unanimously.

Fouad Berry, PTA drug chairman and member of the Merriman Elementary School's PTA, announced that both school and city officials have been invited to participate.

The program for the "adults only" session on March 31 (no one under 18 will be admitted), Dr. John Burton, M.D., Oakland County Medical examiner (formerly Wayne County medical examiner) will show his slide presentation on drug addiction.

Dr. Donald Dawson, M.D., chief of medicine and surgery, Pontiac State Hospital, and Robert Moloney, president, Advance Medical & Research Center, will also be in attendance to answer questions.

Nursery will be provided for walking children through the sixth grade. Refreshments will be served.

Transfer resolution approved by council

A resolution requesting the transfer of tax reverted land from the State of Michigan to the City of Romulus has been approved by Romulus City Council.

Blood gift lasts year

An annual blood donation through the Red Cross's Family Plan assures blood coverage for one year for the entire family providing one member donates annually.

You can join the Family Plan at any Red Cross bloodmobile in your area.

A Red Cross bloodmobile will be at the West Office, ARC, 2440 S. Telegraph at Oxford, Dearborn, on Thursday March 25, from 2 p.m. to 8 p.m. For an appointment to donate, please call 274-5450.

The city council adopted the resolution on the request of the city's Urban Renewal Director George Wilhelm, who reported to council that the transfer will involve the title transfer to 27 vacant lots, the majority of which are located in the Beverly-Wayne Rd. area.

The state law provides that state-owned land may be transferred to local governmental unit providing that the unit desires the land parcel for public use.

The resolution also provides that the City of Romulus pay the nominal cost of maintenance.

Council has instructed the city administration to apply to the Department of Natural Resources for the land transfer.

Wilhelm stated that the city should act and have the land available for future public use.

Three men chosen for Boy's State session

Three members of the junior class at Romulus Senior High School have been selected to attend sessions of this year's Wolverine Boys' State to be held on the campus of Michigan State University.

Chosen from 12 boys who were nominated from the junior class are:

James McBride, 17, of 6345 Corgell, Romulus; Sam Bonam, 17, of 6049 Wayne Rd., Wayne; and Terry Stevens, 17, of 15425 Oakbrooke St., Romulus.

Boys' State is held each year on the campus of Michigan State University at East Lansing. This year 1,250 to 1,300 boys, from all parts of the state, will assemble at MSU with the intent of setting up a model state government. The boys will be housed in dorms and take their meals in these same dorms.

The twelve boys were nominated from the junior class at Romulus High School through an election of the entire junior class.

Barry Freund, junior class counselor and coordinator of the Boys' State Program, instructed the twelve finalists on what they had to do in order to represent Romulus at Boys' State. The boys were required to:

Prepare and deliver to a screening committee a speech entitled, "As a Future American Leader, This is Where I Will Lead Our Country."

Answer questions posed to them by members of the screening committee;

Submit a resume' of their junior and senior high school activities to the committee;

Of the original twelve boys, five presented themselves as candidates. These five were James McBride, Sam Bonam, Timothy Miank, Martin Vaught, and Terry Stevens.

The screening committee selected Bonam, McBride, and Stevens after careful consideration of each boy's speech, resume' and answers to questions asked by the committee.

The screening committee consisted of Barbara Brown of the English Department, Wade Jones of the Fine Arts Department, Glen Hayes, a

SELECTED FOR WOLVERINE BOY'S STATE - Three juniors from Romulus High School have been selected to represent the school at Wolverine Boys State on the campus of Michigan State University from June 16-23.

They are (from left) James McBride, Samuel Bonam and Terry Stevens. This year 1,250 to 1,300 boys from all parts of the state will assemble at MSU.

senior and a delegate to last year's Boys' State Program, and Barry Freund, junior class counselor and Boys' State Coordinator.

At Boys' State, the three Romulus juniors can look forward to a real experience in self-government. Each boy will be placed in a city with approximately 50 boys. Every

two cities will form a county. Each boy is also placed in one of two political parties. Elections are eventually held for city, county and state offices. Various social activities are provided for the young men during their eight day stay.

The cost for each person is \$65 and this fee is completely

paid for by one of three service clubs in Romulus. Romulus Progressive Club will sponsor Sam Bonam, the Kiwanis Club will sponsor James McBride, and the Rotary Club of Romulus will support Terry Stevens. Next fall each boy will return to his sponsoring organization and describe his Boys' State experiences.

Band gets rating of excellent

The North Junior High School Band, composed of 50 members from the seventh, eighth and ninth grades, participated in the District Band Festival and Contest held at the Saline High School last Saturday.

Following performances by individual members of the band and a site reading by the wholeband, contest judges awarded the band a rating of "Excellent."

The band performs under the direction of Richard Coffelt.

Embezzling trial set for April 5

Court trial for James L. Krause, 32, former Huron Township Treasurer, accused of allegedly embezzling township funds, has been scheduled for April 5, it was announced Monday.

A pretrial examination was held before Wayne County Circuit Court Judge Horace Gilmore, who ordered Krause to stand trial. His personal bond of \$5,000 was continued.

Krause, who resides at 35867 Violet, New Boston, is accused in an indictment handed out by the Wayne County Citizens Grand Jury of failure to deposit a quarterly state tax

refund check in the amount of \$5,789.29 in the township's general fund.

He allegedly used the state tax refund check to cover a shortage in the township's sewer department receiving fund, a shortage, the indictment says was caused by his "failure to deposit properly" between June 16 and Sept. 17, 1970.

Krause, a life insurance agent, has served as township treasurer since 1966. He was defeated in the November general election in a bid for the post of township supervisor.

WCCC to be directed by state

LANSING -- Legislative finance experts will call the shift at Wayne County Community College until it can support itself.

House Speaker William A. Ryan (D-Detroit) said he considers it a temporary device to keep the school in operation.

It was the latest in a series of fast-moving developments in the legislature after auditors found WCCC will need between \$2.9 and \$3.4 million before June 30.

The House and Senate appropriations committees assigned their own special investigator as acting president to get the books back in shape and determine the exact financial need.

Ryan said that acting president Alexander J. Kloster, a former acting superintendent of public instruction and now a Michigan State University educational administration professor, will not make policy.

"I would hope they would consider that Kloster is working with Wayne County Community College for the purpose of getting information back to the legislature," Ryan said.

"We will continue to have discussions . . . to determine how quickly WCCC can be put on its own self-sustaining basis."

The two-year college has not had a president since Murray

Jackson took a leave of absence last October to teach at the University of Michigan.

Kloster's appointment leaves Jackson's status in doubt despite pressure on him to notify the WCCC Board of Trustees of his intentions. Jackson has sent a letter to the board, but did not make it public.

Auditor General Albert Lee said the college will need a minimum of \$1.7 million to pay off outstanding debts and another \$1.2 million to stay open for the rest of this year.

The college was formed in 1969 on a countywide basis, was given \$900,000 by the legislature for its first full year and was allowed to use grants from the New Detroit Committee and tuition fees.

"However, without the knowledge of anyone, the operation was also being unlawfully subsidized by the failure of the board to pay current liabilities," said Rep. Richard A. Young, (D-33rd District).

Young, whose district includes part of Westland, said the college failed to pay withholding and Social Security taxes to the federal government, state income and retirement payments to Michigan and city income taxes to Detroit.

Repeated efforts to pass a county millage to help the college have failed and WCCC is the only one of 29 community colleges without local tax support.

Young charged that the audit by Touche, Ross Inc., a national accounting firm with offices in Detroit, found that financial records were so improperly kept that an accurate report could not be made on the school's financial condition.

The question now, Young said, is whether or not to provide state money to save the school.

He hinted at a move to oust

the seven-member Board of Trustees to avoid the legislative position of ratifying the decision which led to the financial problem.

"We are actually saying that what they did was correct because we are financing their entire program, which is about three times the amount of money we had originally allocated to them," he said.

Young said bailing out WCCC would "set a bad precedent" which could lead to other colleges and universities flocking to the legislature for additional money.

Young said that, if the legislature does appropriate extra money for WCCC, it should state that:

"The legislature will not support men and women who take such an irresponsible position of expending public funds that they do not have and that, in fact, what we will do is see to it that these people will not continue in office."

"If we take such action, no one can say that we have a personal vendetta against any of these individuals, but that our real purpose is to protect the credit rating of the state."

Rummage sale set

Cub Scout Pack 754, sponsored by the Quirk Elementary School, will hold a rummage sale on Friday and Saturday, March 26-27 at the Van Buren Township Fire Hall No. 1, located at Main and Roys Sts.

The rummage sale will begin at 9 a.m. and close at 8 p.m. Friday and from 9 a.m. to 1 p.m. Saturday. For pickups on donations call Caroline Sherwood at 697-7168.

SUMPTER TOWNSHIP NOTICE FOR BIDS

Sumpter Township is now accepting sealed bids for a 1967 Chevrolet Ordinance Car. Bids must be received in the clerk's office by 5:00 p.m. March 19, 1971. Address all sealed bids to Clarence J. Hoffman, Jr., Clerk of Township of Sumpter, 23483 Sumpter Road, Belleville, Michigan 48111. Please make sure the envelopes are clearly marked sealed bids. Arrangements may be made to see the car by calling the clerk's office, Sumpter Township Hall 697-0900; 461-6201.

Sealed bids will be opened at the regular board meeting of March 23, 1971 at 8:00 p.m.

CLARENCE J. HOFFMAN, JR.
Sumpter Township Clerk

Romulus against airport plan

The City of Romulus, site of Detroit Metropolitan Airport, is opposed to the proposed expansion of Willow Run Airport, Ypsilanti.

Opposition to the airport's expansion was voiced at last week's city council meeting.

Mayor Hyle J. Carmichael reported that the city administration felt that the proposed expansion would be detrimental to the city and requested the council to go on record as being opposed to the expansion program for the airport at Willow Run.

Councilman James C. Stewart added that the council should do something right

away. He stated that the city might lose some of the small industries and, if not, freight firms and related facilities would not come into the city.

The council instructed the Romulus Chamber of Commerce to make an investigation and survey and determine what the proposed expansion will do and mean to the City of Romulus.

The council also instructed the city clerk Leonard J. Folmar to direct a communication to the Wayne County Road Commission objecting to its proposed expansion plans for Willow Run Airport.

Under the plans, Willow Run

Airport's size would increase east to Belleville Rd. north of Ecorse Rd. an area of more than 1,800 acres of land in Van Buren Township.

At a recent meeting of the Transportation, Industrial and Commercial Development Committee of the Wayne County Board of Commissioners, James M. Davey, managing director of the Wayne County Road Commission, explained in detail the expansion proposal to more than 50 residents of Belleville-Van Buren Township areas.

He stressed the proposal is a tentative plan. He said it would be about a year before the road commission will be in a position to implement the plan. It would take another four years to complete the first phase expansion.

Under the proposal, the County would float revenue bonds to finance acquisition of the airport from the University of Michigan and to expand it into a major freight and general aviation airport.

A \$100 million bond issue is contemplated and it would require approval by the Wayne County Board of Commissioners. No taxation would be involved, Davey reported.

Most of the residents were concerned about the effect of the proposed airport expansion on their property.

As the plan stands now, about 200 homes, the Quirk Road Elementary School and the Van Buren Township Hall would be condemned for runway extension between the present eastern boundary of the airport to Belleville Rd.

New educational plan to be shown

A new kind of elementary education about social problems will be demonstrated by the Willow Run Players from Birmingham, Mich., when the Romulus Area PTA Council meets on Tuesday, March 30, at Beverly Elementary School, 35408 Beverly Rd.

Arranged with the cooperation of Mt. Pleasant Elementary School Principal,

Harold Connon, the program will feature video tapes of a puppet show that is designed to capture and hold a child's interest in many of the problems of today's society.

The meeting beginning at 7:30 p.m. will also see an election of officers and hear final reports of a drug education committee.

St. Aloysius stays open

St. Aloysius Catholic School of Romulus is to remain open, Pastor Rev. John Kernosek announced Monday.

The pastor's announcement followed the receipt of official word on the future status of the school from Rev. William G. King, head of the Washtenaw County Vicariate which embraces the Romulus parish.

"The decision was that the school will remain open 'as long as the bills are paid and no debts incurred,'" Rev. Kernosek said.

St. Aloysius is an elementary school with a current student enrollment of 241. The school is located at 37200 Neville St.

favorable decision is due to the industrious efforts of the Parish Council, the school's staff of teaching nuns and congregation.

The Parish Council, in its report to John Cardinal Dearden, listed its unanimous recommendation that their school remain open.

The criteria recommended by the 32-member Cardinal's Task Force set up three categories to be considered by parishes. They involved finances, service to the parish community and the apostolate of the Church.

Lodge gives third degree honor to five

Galaxy Lodge 384 of the Oddfellows has conferred Third Degree honors on five candidates, Albert L. Mida, lodge official, announced Monday.

Lodge members from South Lyons, Hamburg, Ypsilanti and Wayne were present for the ceremonies.

Galaxy Lodge 384 meets every Tuesday on the second floor of the Belleville Municipal Building. Meetings begin at 8 p.m.

COMPLETE LINE OF MONUMENTS & MARKERS

Do you have any questions on funeral customs and procedures? Come in or write to me for an answer.

Q. We attended funeral services of a friend in another city. The widow told us "someone else" called the funeral home to handle the service, but it was NOT the funeral home she wanted. She said in her grief and confusion she did not realize what was taking place. How could this possibly happen? Is it permissible for unrelated people to select a funeral home against the wishes of the survivor?

A. It can happen, but it never should. She had the SOLE RIGHT and SOLE RESPONSIBILITY to select the funeral home SHE wanted. It was terribly presumptuous for an unrelated person to call a funeral home other than the one she preferred. She could have refused to allow the body to be taken to the unwanted funeral home. In fact, she could have insisted the body be taken from the unwanted funeral home to the one she wanted. There would have been NO trouble or problem for her if she had phoned the funeral home she wanted, even AFTER the unauthorized call from someone else.

BUYER'S MISTAKES

CONTINUING FOR ONE FINAL WEEK

In no way can we be so smart as to always make the correct purchases.

Going to work as often as we do, we must anticipate what our customers are going to want three, four, or five months in advance. Naturally, this being the case we make our share of mistakes. Now, we are going to correct some of them.

To start with, we have about 26 chairs that sold for as much as \$199.95. We're going to lump them all into one group and sell them for just one price of \$50.00. These are chairs suited for Modern, Traditional, or Spanish styles. Color ranges from white to the darkest browns, with all colors in between.

If you can't find the chair you want out of that group, how about this Mr. and Mrs. group in a cut velvet. Blue floral on a white background that originally sold for \$379.90. How would you like to own this pair of chairs for \$159.00. Or if those colors don't suit you, here's a pair of tub chairs with colors in the browns and corals. These chairs originally sold for \$119.95 each, or \$239.90 for the pair. Take them home for \$135.00 for the pair.

If you think the only mistakes were made in chairs, latch on to one of these sofas or matching sets. Start with an Early American styled sofa, floral pattern on a beige background. Everyone says it's pretty, but nobody buys it, so we'll give it to you. It originally sold for \$230.00, but you just stole it for \$99.00.

There is another Early American sofa and companion chair. This is a big massive suite in a coral material on the sofa and quilted floral on the chair. This was priced right at \$590.00 for the pair. We'll deliver it to you for the unbelievable price of \$299.00. You've got to see this for size and material to appreciate this price and value.

How would you like a loose pillow back modern sofa, in gold and brown stripes on the loose cushions? It sold for \$239.95, but for this sale it's yours for \$159.99. Then there is a gold crushed velvet Tuxedo styled sofa that is marked to sell at \$249.95, but we'll let 2 of them go at \$188.88. If you like modern, here is a big blue channel back modern sofa with walnut wood arm rests. There is a slight flaw in the material, but when you see the piece and compare the price, you really won't care. It sold for \$289.95 but you can get it delivered for the smallest \$149.99 you ever spent.

Now, if quality is still your bag, and big massive comfort is what you want, latch onto this one. It's a sofa, chair and ottoman; it's gold crushed velvet; it's custom construction; it's everything you want in good, quality, custom upholstery. These pieces sold for \$859.85. You can brag about the price of \$550.00 you'll pay for this group.

Still not satisfied? Here's a group of sofa and 2 chairs that we've sold dozens of. But we just can't give away this last one. However, at this price, I guarantee it will move out. It's a royal blue nylon sofa and chair, with a blue patterned extra chair. Biscuit tufted backs, and as modern as tomorrow. The going price was \$950.00 for the three pieces, but, how would you like them delivered for just \$500.00 for the entire group.

How about a brown stripe sofa that sold for \$339.95 (it really didn't sell); would you buy it for \$150.00? Or would you rather buy a spanish style sofa that we haven't been able to move in the last 5 months? It was priced at \$229.95, but do us a favor and get it out for \$99.99.

Do you think we forgot about our bedroom sets? We didn't. For those of you that want to finish off that extra bedroom reasonable, about nine odd chests, and dressers -- selling for up to \$200.00, all going at one low price of \$50.00. They are in many styles and finishes and also value packed -- they'll never get cheaper.

Did you say you wanted spanish? Here's one that sold, and sold, and sold; but only in triple dressers. If you've got a small room, here is a double dresser, chest, headboard and mirror. It's rightly marked at \$429.95; make like a bandit, and this suite is yours for \$239.00.

Is that suite too dark? How's about a light pecan suite, modern in styling; a fresh new look and off the floor. The triple dresser, mirror, chest and bed originally sold for \$359.95, but it's the last one, and we'd like to get it out of here. Buy it for \$219.99, you'll thank your salesman a dozen times for saving you this one.

Here is another dark pecan finish bedroom set. Formica tops, and leather drawer pulls. Really unusual style for today's young homemaker. To top it off it has twin mirrors that make the price doubly attractive. There are only 2 suites left and you may be one of the lucky ones to buy this \$349.95 suite for \$199.99. Now that's Saving!

You just need a dresser? Well, here is one you'll treasure, it's a great big triple dresser with center door, in a beautiful pecan and formica tops. This is the last piece left out of a \$900.00 bedroom set. How would you like to buy this big dresser for just \$199.00?

There is not too much modern that ever goes on sale these days, but here is good one. Beautiful walnut triple dresser, mirror, chest and bed. Sold all year long at \$399.95. Discontinued by the factory after running this suite for 4 years. That's how good it is. But now we only have 2 suites left, and we'll sell them out for \$278.00.

Spanish, of course is still strong. It's still the biggest selling style today. Here is a dark oak suite, which includes the dresser, mirror, chest, and bed; with lots of carving. It sold for \$349.95 and for just 2 suites, we're going to make it easy on you to own a new bedroom set. How's about the dumb price of \$199.00?

We've got an open stock group of modern walnut that will do anything but sing. You can pick the pieces for a large bedroom suite, or a small bedroom; or if your trying to satisfy that young teenager, get the around the corner pieces, desk and hutch tops. It's probably as complete a group as you'll find anywhere. These pieces will be marked down a minimum of 1/3 and that's as stiff a mark down as you'll ever find on a current open stock group. In other words the piece that would normally sell for \$69.95, you'll be able to buy for \$46.00 and every piece in the group, 17 difference pieces, will be marked down accordingly.

Now you know this is a newspaper ad, and we couldn't possibly list every item that will be on sale but, come on in, look around, and pick out the pieces you want, and I promise you, you will save as much as \$400.00 or \$500.00 on your living room, bedroom, or dining room purchase.

Be here early for the best selection of merchandise. Don't be disappointed. Sale starts on Thursday morning, promptly at 9:00 A.M. We'll be closed Wednesday to mark down prices so you won't be disappointed. And to really make it easy -- Use your credit; as always -- your credit is always good at Kent.

Deaths

Rev. Leslie Edward Roberts, 68, of 8701 Belleville Rd., March 10, Roberts Brothers Funeral Home.
Mrs. Jessie Vincent, 85, of 29205 Wick Rd., Romulus, March 9, Roberts Brothers Funeral Home.

Group might start referendum

(Continued from Page 1)
Rd. Existing runways would be extended 7,500 feet to 12,000 feet in order to accommodate large freight airplanes.
Willow Run Airport, when proposed plans are a reality, would become the world's largest air cargo facility.
In another matter involving the proposed \$2.5 million school building bond issue of the Van Buren Public School

District, the association voted not to take a stand on the proposal.

The proposed school bond issue, if approved by the voters March 18, would finance the construction of a new elementary school, addition to the high school library, maintenance garage and would be used for the acquisition of future school sites.

Rhoads back

(Continued from Page 1)
projects in the township."
A Huron township resident, Rene Campeau, asked Rhoads, "Do you feel the people you are sitting with on the township board are corrupt?"
"I feel my choice of words was poor when I talked to the press, Rhoads responded, "I wouldn't say any of these people are corrupt."

"You called a portion of the township board scoundrels and skunks in the newspaper," Raymond

Kreyger, a Democrat and Huron township trustee for the last nine years, said to Rhoads, "You said you would knock heads together, Explain this."

The supervisor stated that his language was colorful and political talk, and added that it was not a threat.

The supervisor wouldn't apologize for that or retract it. He was applauded and cheered by the capacity crowd attending the meeting.

Class studies middle states

The fifth grade social studies classes at Mt. Pleasant Elementary School, Romulus, completed a unit on the Middle Atlantic States and then displayed the unit at a recent meeting of the school's PTA.
The class project centered around the early Middle

Atlantic States to the present time. It showed early transportation and settlements.

Other class projects were relief maps showing the products and natural resources of the Middle Atlantic States.

Magic show

The student council at Mt. Pleasant Elementary School sponsored a Magic Show at the school last Friday afternoon.
R.E. Rew, magician from Plymouth, Mich., presented a program of magic tricks.

HEAD START CANDY SALE — Romulus Head Start Program is sponsoring a candy sale this week in the City of Romulus. Proceeds of the candy sale will be used in the operation of the Head Start Center, located at 7335 Washington St., Romulus. Promoting the candy sale and urging residents to assist by purchasing a box of candy for \$1 are (from left)

Mrs. Carmella Lewis, secretary of Head Start Parent Advisory Committee; Sandra Dubois, co-chairman of the committee; Joseph Nehra, owner of Jo Jo Party Store, where candy purchases can be made, and Prentice Lewis holding his son, James, 1, a Head Start student.

Amendment would counter free textbook court ruling

An amendment to the state constitution to counter a Michigan Supreme Court ruling that schools must provide free text books has been proposed by a Republican state representative.

The proposed constitutional change drew general support from school superintendents in Van Buren and Huron Township and Romulus.

Citing a "growing spirit of waste," Rep. Stanley Powell of Ionia is trying to amend the state constitution. He said that the court ruling handed down last July was resulting in waste and "reckless utilization of the supplies which are provided free of charge and frequently without limit to the pupil."

"There is also a very real problem with this present problem," Powell continued. "Every thinking person knows that we don't get something for nothing, and what may be referred to as 'free books and supplies aren't really free at all."

"Since this court decision, school districts have had to absorb this expense, which

inevitably must ultimately be borne by the property taxpayers, since no additional state aid has been provided for this purpose," he said.

Powell said he had been "flooded" with citizen protests over the new requirement.

The high court ruling came with an interpretation of constitutional language saying the legislature must "maintain and support a system of free public elementary and secondary schools."

School Superintendent Byron K. Anteliff of the Huron School District, said:

"The court's decision has worked a hardship on our school system. It cost \$30,000, an expenditure that we did not anticipate. As far as waste is considered, our complaint is that we have been too miserly with materials, so much so that some children had to buy materials."

"We have set up a severe limitation due to present financial provisions. I think the bill, if one is introduced to amend the constitution, would be a good bill."

School Superintendent Robert L. McConeghy of Romulus Community School District said:

"We have been furnishing text books free to students since 1954 so it was not really a problem with Romulus schools. Our biggest concern was relative to free material provided and work book area. When a course required work books and material, it was sold to the pupil at cost. Now it must be supplied free."

"We have experienced increased cost in teaching materials. Most school districts expected state aid, but the governor recommended that state aid be reduced. Any relief in this direction is most welcome."

Concerning waste, McConeghy said that had no knowledge of it in Romulus but stated that he was going to get a complete evaluation of the free book program before the end of the present school year to provide guidelines for each school to follow.

School Superintendent Dale E. Kaulitz of the Van Buren School System said:

"It has added additional

costs to the financial burden of school districts, there is no question about it."

"In Van Buren School District, the cost amounts to \$90,000, or an average of about \$13 per student in most school districts."

"From the standpoint of the youngsters coming from deprived situations in the home, low-income families, they are better off for it. The court decision definitely helps them because their education is being hampered by lack of financial support."

"Overall it is a fine thing but to add this cost to already burden school districts requires some help. The bad part of all this is, first, that local funds must be raised by tax levy, and if it is not done that some kids don't have adequate school supplies."

As to waste in the supply of free books, Kaulitz said that he doesn't know of any.

Homeowners for board members facing recall

The United Homeowners Association of Sumpter Township announced Monday that the association is "solidly behind" the three Huron Township Board of Education members who are facing a recall election March 29.

The announcement was made by Joseph Majtyka, association member and publicity chairman.

He reported that the association announced its support at a meeting held at Cecil Hall's Market, located at Savage and Bemis Rds., last Thursday night.

The meeting was called to discuss a supplemental school tax levy to current property tax bills assessed by the Wayne County Board of Taxation.

The county taxation board reported that the supplementary tax levy of \$7 per \$1,000 of assessed property valuation had not been included in the tax statements through an admitted error.

The levy is towards the payment of the bonded debt of the old Sumpter School District dated Nov. 1, 1964. Association members are planning to protest the tax levy.

At this meeting, the association announced its support to school board members: Mrs. Mildred Bennett, Mrs. Erma Palmer and Harry Hartsuff who are facing the recall election.

Police accept raise of \$300

A wage boost of \$300 per year across the board offered the Romulus Police Officers Association (RPOA) by the City of Romulus has been conditionally accepted by the association, it was disclosed Monday.

The wage increase is in addition to a \$600 salary boost accepted by the association some weeks ago. Both the association and the city have been holding on-and-off negotiations for several weeks.

In a communication sent to council members and Mayor Hyle J. Carmichael, Robert E. Kahl, president of the association, reported that the members of the association, at a regular meeting, voted to

accept the \$300 per year increase retroactive to Jan. 18, with the understanding that previous \$600 raise remains in effect.

Also, the city further agreed to meet with the RPOA within 10 days (from March 8) for a review of wages on a parity basis, as was agreed to previously and according to council minutes of Nov. 24, 1970.

Kahl stated that the wage scheduled including the two pay hikes ranged from \$7,500 to \$9,600. The association contends that the salary range being paid Romulus police officers is more than \$2,000 below surrounding and comparable police assignments.

In our opinion

Crackdown needed before it's too late

The move by the Detroit Board of Education to crack down on troublemakers within its schools is heartening to say the least.

It's about time some school board somewhere got enough gumption to tell the hoodlums — who are usually outsiders or dropouts from the particular troubled schools — that something is going to happen instead of just talk.

Prosecution has to be the name of the game. Simply arresting the troublemakers — many times a measure taken just to get them out of the schools — and letting them go later won't solve the problem.

In fact, it adds to the problem since those arrested know in advance nothing serious will come of any action against them. Then they're free to cause trouble again.

The problem hasn't stopped with the school halls either. It has been spilled over for some time already into the gymnasiums and football fields.

Another incident occurred last Friday — after Ann Arbor Pioneer's victory over Romulus in the Class A regional basketball finals at Adrian — when an Ann Arbor player

was stabbed in the back inside the gymnasium and an Adrian youth received a seven-inch slash on his head.

Fortunately, the injuries, although quite bloody, were not serious. The player is expected to start in tomorrow's quarterfinal game.

However, they could have been serious. The fact that the stabbings even took place are serious. And the fact that no police action — no one can identify the assailants — will take place is frightening.

Such incidents, in addition to the physical harm to both people and buildings — about \$1,000 in glass damage, including labor replacement costs — was caused to the Adrian school building — continue to ruin everything for the law abiding citizenry.

One highly successful high school coach, also from a nearby school, has predicted that spectators will be banned from high school football and basketball games within the next six years, which will probably lead to the banning of high school sports themselves.

It's a price much too high to pay for not cracking down now on those responsible.

In years gone by...

A look through The Daily Eagle files at news of Western Wayne County one, 15 and 25 years ago:

25 YEARS AGO

March 17, 1946 — Two Wayne couples, Mr. and Mrs. Charles A. Foss and Mr. and Mrs. Floyd E. Smith, celebrated their 25th wedding anniversary at a party at the home of Mr. and Mrs. Foss of Wick road.

At a tea given for friends and relatives, Mr. and Mrs. Paul Dillie of 33619 Michigan, announced the engagement of their daughter, Dolores Jeannine, to 1st Lieut. Chester J. Rushnick, son of Mr. and Mrs. Stephen J. Rushnick, of Forest Hills, N.Y.

Mr. and Mrs. Niram Hawley of 3305 Sophia street returned to Wayne after vacationing for three weeks in Miami Beach, Florida.

Lieut. Donald St. Louis and his brother PFC Jack St. Louis were visitors of Mr. and Mrs. Albert Head of "Headacres" on Venoy Road. The St. Louis boys, who are nephews of Mrs. Head, have re-enlisted and will leave for Germany in April.

15 YEARS AGO

March 17, 1956 — icy highways once again caused a rash of traffic accidents in the Wayne area.

The Wayne County Sheriff's department investigated 31 reports.

If it's true that they come cheaper by the dozen, Mr. and Mrs. Richard Bradley of 7181 Burton, Inkster, are well on their way to economic security. Mrs. Bradley gave birth to her 16th child, a girl, at Carpenter's Hospital. Dr. Zemaitis was the attending doctor. The Bradleys now have nine boys and seven girls. The newcomer, an Irish colleen, has been named Debra Sue.

Following a honeymoon trip to Florida, newlyweds Mr. and Mrs. Mahlon Clarence Inman are now living at 19945 Crandall in Belleville.

The bride is the former Ola Ann Braswell, daughter of Mrs. Flossie Gliniski of 2610 Caledonia court in Wayne. Her husband's parents are Mr. and Mrs. Clarence Inman of 19945 Crandall, Belleville.

Moving in high style in the fight for the championship of Michigan's Recreation Association Class B basketball finals, the Van Meter quintet representing Wayne got as far as the semi-finals.

After Thursday's 71-60 thumping of Albion, the insurance cagers met their match in a tough foe from Adrian and lost 82-69.

MARY APPLE

Mary Lou Jackson, Lois and Mae Hill or Norwayne were evening guests of Dean Elliston, Mary Smith and Marie Clayton of Detroit. They ended the evening with a visit to Casey Clark's barn dance on Mack avenue.

A gala time was had at the dinner dance celebrating the 37th birthday of the American Legion organization.

After the chicken dinner, short talks were given by guests from the Department of Michigan, American Legion and Auxiliary officers.

At the head table was Commander Arthur F. Kirkeby of the G. C. American Legion Post, who presided as toastmaster of the evening.

ONE YEAR AGO

March 17, 1970 — Meritorious citations were presented to seven Wayne policemen by Mayor Kenneth McKay at the city council meeting.

Included in the citations read by Police Chief Walter

MacGregor were those going to some of the most decorated officers on the force.

Sergeant James Almos, Patrolmen Ronald Kea and Fred Stafford each received two honors, while Patrolman Bill Davidson, Albert Seng, Jerry Warden and John Wright each were given one citation.

A glimmer of humor came through the despair of the city employees' strike.

City Assessor Manual Lentine has been working long hours extending late into the night, in an effort to get proposed property reassessments figured for this year's tax rolls.

A mailed postcard arrived for Lentine with this message:

Dear Pasquale just a note to let you know that everyone here is fine. The children still remember you. They saw a picture of you in the paper and recognized you right away. Hoping to see you soon we need groceries. As ever, love, Rosa.

A Christian Day School is being organized by the Community Baptist Church, 28237 W. Warren Rd.

The school, which will open in the fall, will be for grades kindergarten through sixth grade.

An Inkster woman, who says district six voters could benefit from another choice, will run a sticker campaign for the district council seat.

Mrs. Mary Apple, 31, of 1634 Magnolia, is the candidate. "If I'm not willing to do something about city government," she said, "I can't complain later."

Public officials forum

Bills win House approval

By STATE REP. EDWARD MAHALAK

An unusual assortment of bills has won house approval in recent days. One of them had to do with environmental teaching in the schools,

another with hospital emergency care and a third with coyotes.

As it turned out, the coyotes drew the most heated debate. At issue was a proposal to repeal the state bounty on coyotes. It is the last wildlife bounty on the books in Michigan. Also, repeal would save the state some \$70,000 a year.

Most conservation groups have supported an end to the bounty, yet there were a number of legislators who felt very strongly on the subject. Although coyotes are unheard of in this part of the state, they are not uncommon

in northern areas, particularly the upper peninsula.

Upper Peninsula legislators complained that repeal of the bounties would mean a considerable increase in coyotes and losses to deer and other wildlife. The claimed that red fox numbers have sharply increased since the bounty was taken off foxes in 1965. There was also the fear that increased coyotes could mean increased incidence of rabies.

These claims were generally discounted, however, it was noted in debate that 17 other states have lifted all wildlife bounties. The bill was passed by a wide margin and sent to the senate.

Speaking of schools

A privilege not to be held lightly

By ROBERT L. McCONEGHY, Superintendent of Romulus Schools

Romulus Community Schools is recognized as having one of the finest bus fleet operations in the State. The buses have consistently received high ratings at inspection time by the Michigan State Police.

The bus drivers have consistently received high praise through their experience rating in safely transporting students.

An important aspect of a good transportation system is enforcement of a uniform Bus Discipline Policy. Recently a committee completed a revision of the Bus Discipline Policy adopted by the Board of Education in 1962.

The Board of Education adopted this revised policy at its regular meeting on Monday, March 8.

It is the intention of this policy to provide adequate safety and safeguards in the transportation of Romulus Community School's students to and from their respective schools. It is deemed both necessary and imperative that these measures be affirmed as well as enforced in order to best afford safety in transporting these students.

It is important that the school, the community, the students and the parents recognize that riding a bus is a privilege and that order and discipline insure the safe arrival and departure of students to and from school.

The concerted effort of bus drivers and students is imperative in minimizing infractions of bus regulations and their resultant hazards.

Revoking a student's privilege of bus transportation may be effected when there is an abuse of this privilege.

Any student whose bus privileges have been revoked is suspended from all Romulus Community Schools transportation services.

The following instances would be described as abuse:

Any Unlawful Act: any violation of Federal, State, County, local law or ordinance.

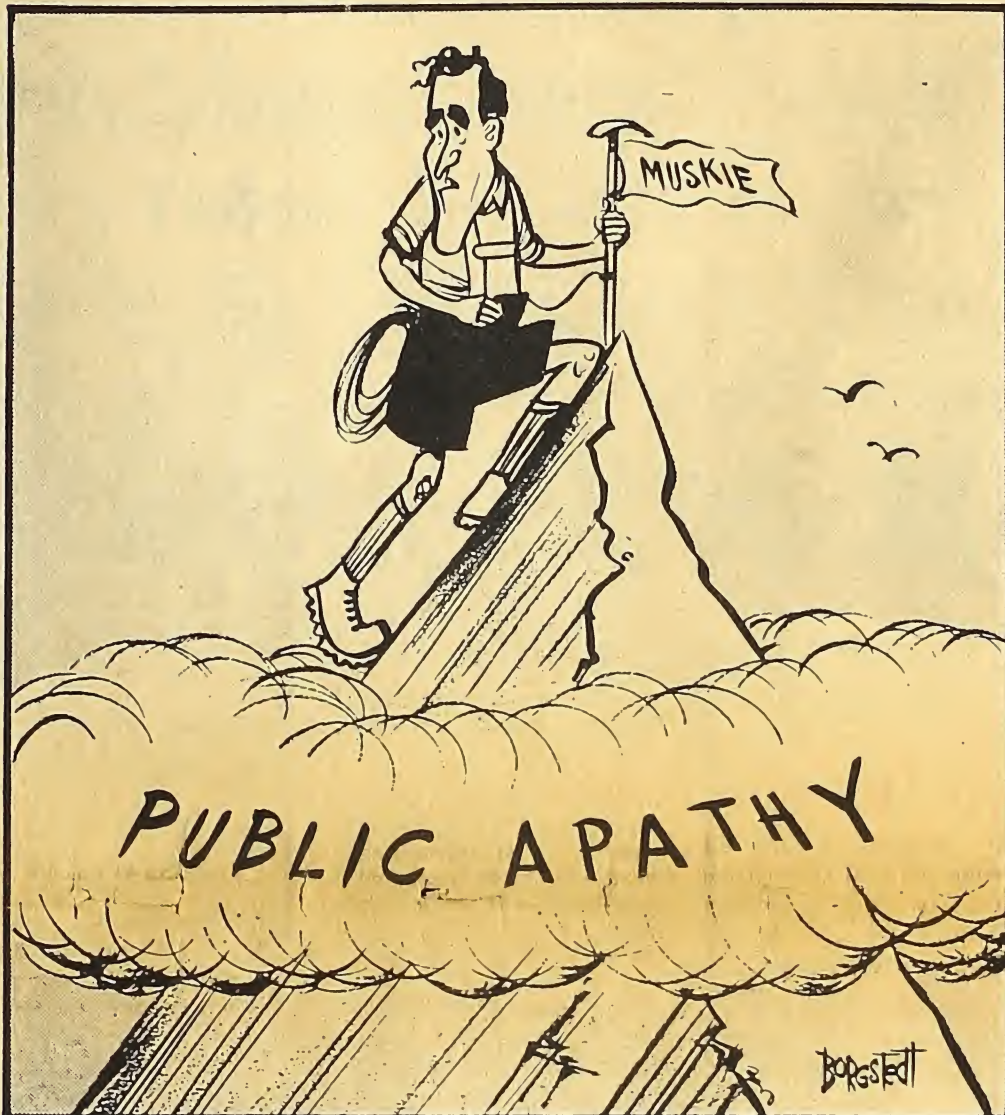

Fighting: physical assault upon person or persons Destruction or Damage of School Vehicles: any act relating to the marring, cutting, tearing or general destruction of transportation vehicles.

Insubordination: a direct refusal to follow instructions of the bus driver or other's in charge when that instruction is designed to promote safety for the welfare of all.

Profane or Offensive Language: any abusive or derogatory remarks intended to be uncomplimentary or unacceptable.

Repeated Offenses: students who, more than once, have been referred for minor infractions of bus safety.

'Wonder if I've peaked too soon?'

News focus

Charlestonians hold military pacts dear

By Charles Bartlett

CHARLESTON, S.C. — No other American city relishes its past with more reason because no other city has retained so many tangible reminders of a time in which elegance and style dominated life's mundane aspects.

But the new Charlestonians, no kin of the gentry who sparkled in the splendid houses, look back to a more recent past in which federal contracts and installations reigned upon South Carolina's low country. That is why they are raising a statue to the late Rep. Mendel Rivers and why they have just nominated his young namesake, Mendel Davis, to take his seat in Congress.

But beyond this nostalgia, one finds here and throughout South Carolina a new spirit which promises at last to bury the dead horse of racial politics. The strains of desegregation are still awkward but the mood now is to keep them out of politics. Conservative Republicans, once delighted to ride the race issue, now complain that their

candidate for governor last fall, Rep. Albert Watson, lost because he rode it too hard.

This new spirit is accentuated by the new governor, John West, who promised a "toally color-blind" state government and has joined Senator Ernest Hollings, whose eye is on the national stage, in a lively campaign against hunger and poverty.

The state's transition is marked by Hollings' warm applause for West's social-minded program. As The Columbia State noted editorially, it was only twelve years ago that Hollings, in his own inaugural as governor, made a bitter promise "to resist the dictatorship of a power-happy federal government." The most interesting figure in all this is Sen. Strom Thurmond, who will have to buck, in his re-election campaign next year, the faded popularity of the GOP and President Nixon. Mr. Nixon is sagging in South Carolina because the economy is soft and because his performance on textile imports and the schools has stopped short of his promises.

already financially troubled. The bill was slightly revised, however, and won approval in its second vote.

The other measure passed in the house would require that hospitals provide emergency treatment for anyone regardless of race, color, creed or financial status. The purpose of the bill is to place emergency treatment first and considerations of hospital insurance or ability to pay second.

The legislature will get into much more controversial issues as the session progresses. The coyote bounty was regionally important, but there are other proposals now under consideration which would affect far more people in the state.

Other Misbehavior: any offense not defined by the foregoing.

Any of the above which are considered gross misconduct may result in the immediate and indefinite suspension of all bus privileges.

In each instance of student misconduct reported by the driver, the type of misconduct will be indicated and accompanied by a written statement. Revocation of bus privileges is not an action to be taken lightly. In the event a child is suspended from all bus privileges it is the parents responsibility to assure the child's school attendance.

The administrator of each building, charged with bus discipline, is instructed to work with students, drivers and parents to develop the kind of self-discipline which leads to mature responsibility.

Provisions are made to inform parents when students are in danger of losing this privilege. Any gross misconduct may result in the immediate suspension of all bus privileges.

It is acknowledged that most students do a creditable job of self-discipline and we encourage them to continue this fine practice.

A copy of the complete policy is on file in the office of each building principal. Parents are invited to visit with the principal to review any aspects of this policy about which they may have any questions.

Our readers write

Bystanders shouldn't judge supervisor

To the editor:

To those smug and self-righteous people who are verbally condemning our township supervisor Doug Rhoades for leaving his post in the township hall.

There comes a time in each of our lives when a problem will arise that we feel that we cannot face or cope with, be it our job, finances, ill health, death or family problems.

No matter how small the problem may seem in the eyes of the untouched, it looms large in the eyes of the beholder. Its so easy to stand on the side lines and say, "He should have done, this," or "He should have done that," or "I would have done so and so."

As by-standers we always feels we have the logical answers and solutions to the other fellow's problems, but soon or later we will all find that life isn't that simple. None of us are immune and the day will come when each and every one of us will be struck by a problem which will make us feel we are standing alone.

Not friends, relatives, neighbors nor our loved ones can help us through, so alone and in our own way we must seek God's help; and with His help we will find our answers and peace within ourselves.

Matthew VII: Verse I & II "Judge not that ye be not judged, for with what judgement ye judge, ye shall be judged; and with what measure ye mete, it shall be measured to you again."

If you've never stood on the path of aloneness you will judge. If you have stood on this path, you can not judge.

BEEN THERE

Reader won't believe Antcliff's 'excuses'

To the editor:

Mr. Antcliff's excuses that he made in the Romulus Roman on March 10 on the Mobile Health Unit, makes me question whether or not he will tell the judge the same story under oath on the witness stand.

Remember, Mr. Antcliff, that the judge will not readily accept the same answers you have tried to palm off on the parents for the past year whenever you have been questioned on any subject.

Parents who have frequented school board meetings have been made quite familiar with our favorite side-stepping phrases.

"Not to my knowledge."
"You misunderstood me."
"I've been misquoted."
"I wasn't aware of it."

Consistently we have found that your vocabulary has been limited to these lines.

If just once, Mr. Antcliff, you had given us an honest and direct answer we would have accepted it and appreciated it. "Oh, what a tangled web we weave, when first we practice to deceive." The people in Huron township are not the dumb farmers you would have liked us to be.

Having attended many school board meetings, I for one have witnessed too many of your catchy little phrases in the past few months for you to make a believer out of me.

TOO LATE

Belleville Enterprise and Legal Times Romulus Roman

Established in 1885, the Belleville Enterprise and Legal Times and the Romulus Roman — the official newspapers serving the cities of Belleville and Romulus and townships of Huron, Suptler and Van Buren — are two weekly newspapers published each Wednesday by the Associated Newspapers, Inc., a division of Panax Corporation, at 330 Main St., Belleville, Mich. 48111.

The central business office is located at 35540 Michigan Ave., West, Wayne, Mich. 48184. The corporate office is located at Box 289, East Lansing, Mich. 48823.

Office hours in Belleville: Monday, 9 a.m. to 4 p.m.; Tuesday through Friday, 9 a.m. to 5:30 p.m. Phones: 697-9191 for Belleville; 941-1275 for Romulus, area 313. Central office hours: Monday, 8:30 a.m. to 6:00 p.m.; Tuesday through Friday, 8:30 a.m. to 5:10 p.m.; Saturday, 8:30 a.m. to noon. Phone: 729-4000.

Classified advertising calls at 729-3300 and circulation calls at 729-4460 during central office business hours.

Subscription rates by mail: second class postage paid at Belleville, Mich. 48111, \$5 per year in Wayne County; \$7 per year outside of Wayne County; \$5 per year for servicemen. Carrier delivery 50¢ per month, collected on a monthly basis.

Associated Newspapers, Inc. retains ownership of all local news items and advertising copy which it helps create or reproduce in its columns and such cannot be reproduced by others without permission.

Tim Wood knows how to please his audience

By HOWARD ALLEN
Eagle Amusement Critic

Some people learn fast. While Peggy Fleming joined the Shipstads and Johnson ice show with a spectacular routine twice as difficult as any other in the show, and somewhat artistic and pretentious, she failed to recognize that audience reaction comes from elan and dazzle.

Detroit's Tim Wood, jumping to quick jumping to quick stardom with Ice Capades, the 31st edition of which is currently at Olympia, on the other hand has sensible opted for stardom.

The program itemizes Wood's skating feats as including triple salchows, double axels and triple toe-loops, but don't look for them. Instead Wood spins his fool head off-and any skater will

tell you that a spin is the easiest trick in the book-but he knows what pleases the crowd and he gives it to them.

Ice Capades, full of glitter and tinsel like every ice show since time immemorial, offers also possibly the single most pleasing comic ever to take to the ice, Freddie Trenkler. Trenkler is not always with the show-some years he appears with another Ice Capades company-and his absence in those years is grievously noted. Whatever the garb or situation, the basics of his routine haven't changed in years and his soaring over the crowd on a rope remains the single most ingenious feat on the ice.

The main theme of this year's show is astrological, with a stellar theme fitted to all the acts and scenes after the intermission. The first half of the show includes two contrasting views of the circus, one traditional, plus a fantasy based on the legend of the girl stolen away to the frozen north.

Occasionally the plot trips over itself a bit clumsily, such as when Spanky, Dave Pitts' crowd-pleasing ice skating chimp, must be put through a long expostulation in preparation for his skating through a ring of fire to fit it to his Alice in Wonderland motif.

SATURDAY MATINEES -- "The Land of the Dragon", a production of the Wayne State University Children's Theatre, will be seen at 1:30 p.m., this Saturday and Sunday, March 27. Richard Drutchas is the student-hero Road Wanderer, Cris Becker is Princess

Jade Pure and Kathy Runey is the dragon. Tickets are available at the Wayne State University Theatre Box Office or J. L. Hudson stores. Group rates are available. For information call 577-2960. Tickets are also on sale at the door one hour before curtain time.

Scene about town cap patric

SURE AN' ON ST. PADDY'S DAY the Irish shines in the face of the Golden Greek, it does! Wasn't it just last St. Paddy's that we were sittin' in the dear-r man's office and Bobby-the-Bartender come in? "Is O'Spizak good for another drink?" queried he. Skrumbellos is niver a man to waste time. "Has he had it?" he asked. "He has" answered the Bartender. "He is!!" sez Frank! Oh, it's that kind of stuff that makes the day a Holiday, for sure! If ever a little bit of heaven fell from out the sky one day...and landed in Westland, it would have been smack at 1870 S. WAYNE RD., and shurely they named it THE GOLDEN COIN!! Truth to tell, you'll get kind consideration there on enny and ivery day, but THIS St. Patrick's Day it's Green Beer...Irish Jigs...the whole shot! And would you believe The Famous Coin Combo is out this very afternoon collecting Irish funnies? No, no, I wouldn't rib O'Spizak twice in the same paragraph...they're gatharin' j-o-k-e-s. Hey, we'll be wearin our Green at lunchtime, and if you're the first to spot me, I'll put my green right on the counter for the cost of your Irish cheer! Sure an' c'mon over!

OH, GREAT GREEN BUNNY, HUNNY...Harold sez you're gonna "Wiggle" at his 24 KARAT CLUB, out at 16890 Telegraph, just south of 6 Mi. Rd., while Jack Harris sings it pretty! Or is all that swingin' green stuff a Hawaiian costume? And when a girl wears Hawaiian green in some jazz, rock, calypso and minstrel terpsichory, too! And what could be greener...or crispier...or enny way better than...say, a Caesar Salad, or a Maurice Salad, so you can watch your own figure while you're watchin' theirs? NOTHING, that what! If there's ever anything better in entertainment...or food...or fun...in this ol' world, Harold Wiggle will bring it to the 24-K for you, so you just gwan over and enjoy yourself while you wait! Bunnies...Chorus Gals...handsome Vocalists...GREAT Food and Cocktails: Hey! Izzi! Izzi! True St. Patrick did ssucha speedy job because he was inna hurry to get to the 24 Karat? (All he really needed to do was phone 538-4455 for Reservations!)

FAITH, AN' THE TIDES OF FORTUNE floated our Green canoe into the harbor of content just in time this week for a B-I-G PARTY AT THE IRON MASK INN 28949 JOY RD. IN WESTLAND!! Last week we partied there with Mr. & Mrs. Bernie Hitchcock (can she cook!)...Frances & Francis Toller...BOTH Larry's (St. Germain & Tonus) from O. Dosenbachs...Louise Lynne, who advertizes Caddies and hangs out where the munny is...Bill Maskney & his Juke Box 2...George Leland...Jimmy Whitfield and his Square Root of Nine, who were makin' music besides...and a HUGE sandwich in the company of a guy named (Ha-ha) Marvin Swartz. Hows come they're all named Marvin Swartz?? But that was LAST week. Now THIS week...in fact, TODAY...there's such a party...that last week seemed like a rehearsal! Just follow the mood music...and the smell of goodies cookin'...and the sound of laughter and St. Pat's day...and you'll find THE IRON MASK!

PRIZES GO TO SOME LUCKY Boys & Girls who know how to color pretty Red Ponies, and Mother gets a prize, too, in a way, when she takes 'em all out to lunch this weekend and saves some wear-and-tear on her weekend calm! THE RED PONY RESTAURANT, at 22925 W. 8 Mi. Rd. (near Telegraph), is the hilltop spot with the view...and the new-concepts-in-cooking but OLD FASHIONED Service that puts the Customer first! So how do they celebrate a wonderful first year in business? THEY give YOU the prizes! Bring the small ones this weekend, to color a pony while they dine, to "win" a helium balloon (everyone does!), and to enter in the Grand Prize Contest which already has some front runners! OUR favorites include Susan Sullivan, of Detroit, who is a good little color-er...Miss Lisa Knight, of Livonia...Mr. Bruce Green, also of Livonia...and David Turner, who came from Farmington to color his paper pony! Of Course You Can! E-v-e-r-y-o-n-e can try it! Good luck...and, at The Pony, happy dining!

WILL MARY ROGERS & JOYCE PFIFFER come from New Boston to Ypsilanti this fine Irish weekend, to singalong at THE SEVEN SEAS?? Children, you'd be savin' toime if ye didn't ask me foolish questions, it's thru! You know well that EVERYONE comes to The Seven Seas to sing along with pretty Dee Greenfield, who is one of the original "Moe Sisters", so she's been makin' all those Irish toes tap for menny a year! That's why 2 Chefs prepare Dinners 'til 1 aym in the daytime in that Immaculate Kitchen, and that's why Daddy Harold Gable is even now teaching young Chris and Harold, Jr., how to weigh those steaks so you get your FULL measure of what's-great-to-eat! People come from EVERYWHERE to hear Dee...or in the daytime to visit with Harold Cook, famous Maitre De...or to experience b-e-a-u-t-i-f-u-l-l-y done Lobster (we know some folks who drive over 100 miles for it!)...or just to let your hair down and have MORE fun than you've ever had no matter where...JOIN THE PEOPLE...do your thing! You don't sing? Wanna bet?? Just go straight out Michigan Ave. to Ypsi (it's 20 minutes away) and you'll find THE SEVEN SEAS SINGALONG at 1435 E. Michigan, surrounded by ample parking space and throngs of people who love fun! You'll find it's REALLY something to sing about!

MOT-HER, WOULDJA LOVE TO relax?? But you MUST go shopping at Westland Shopping Center because that's where all the Easter bargains are. Or you want to meet the girls. Or you h-a-v-e to take the kids. Madam, as sure as The Man chased the snakes off the Emerald Isle, You'll be happy we told you about BEAUCHAMPS RESTAURANT & COCKTAIL LOUNGE, down in the Concourse!! Stan & Georgia Hanson, and their pretty daughters Linda & Janet...and their talented Chef-Father, James Vistakos, who has been creating Gourmet goodies for more than half a century, and their NEW Bartender, whose philosophy is "serve a G-O-O-D Drink" are all waiting down there to help you relax in the midst of all this turmoil! And they have some BIG news for you about Catering, too! Feature ALL the parking at Westland Center...escalators for your Guests...the Center Auditorium for your Party...and you haven't even heard h-a-l-l of all the extras that mean Beauchamps! Go down and meet the people. You'll be VERY glad you did. And you'll relax. And nothing could be nicer. Than Beauchamps, that is.

BY THE WAY, PEEPUL...there's something really nice and relaxing you can enjoy at home, BEFORE you go out...for a nightcap when you come home, for company, and (would you believe) you can even put this special treat in your lunchbox?? Well, why not? DANNA DISTRIBUTORS, who supply just about all the good people we talk about every week, have also put a little-bitty refresher into your local Package/Party Store, called Colt 45! Sure you know Colt 45. It's the Malt Liquor that outsells leading brands of Beer all around the country. It's an exciting new taste. It's a light malt beverage. It's a step beyond the greatest beer tastes. It's smooth as satin. But, besides all that, it comes in a tiny lunchbox or Hors d'oeuvre tray (8 oz.) size that makes it unbeatable AND indispensable! When I sed, "Honey...I how'dja ever do without it before?" MY Gal sed, "Honey...I NEVER will again!" And my Gal means what she says! (Especially if she's talkin' about Colt 45.) Ask for this wherever you go to buy something delicious and relaxing for home consumption. And when you've been out for the Evening...Colt 45 is just like my Gal, again! So nice to come home to!

CITY OF ROMULUS

Ordinance No. 71-40

AN ORDINANCE TO ADOPT BY REFERENCE THE CODE OF THE AMERICAN STANDARDS ASSOCIATION, ASA B-9.1-1964, SAFETY CODE FOR MECHANICAL REFRIGERATION TO REGULATE THE SAFE DESIGN, CONSTRUCTION, MAINTENANCE AND LICENSING OF REFRIGERATING SYSTEMS AND APPURTENANCES THEREOF IN THE CITY OF ROMULUS; TO PROVIDE FOR ADMINISTRATION, ENFORCEMENT AND PENALTIES; AND TO REPEAL ANY ORDINANCE INCONSISTENT WITH ANY OF THE PROVISIONS OF THIS ORDINANCE.

THE CITY OF ROMULUS ORDAINS:

SECTION 1. SCOPE, PURPOSE AND APPEALS.

Section 1.0. Scope. This Ordinance shall apply to new refrigerating systems hereafter installed, to the reinstallation of used equipment, to existing refrigerating systems, and to the servicing, alterations or additions to existing refrigerating systems subsequent to its adoption. This Ordinance does not apply to refrigerating systems using water as the refrigerant, not to refrigerating systems installed in aircraft, railways cars, waterborne craft, motor vehicles and motor drawn vehicles using refrigerants designated as Group I Refrigerants in the American Standard Safety Code for Mechanical Refrigeration, ASA B9.1, adopted for the purpose of this Ordinance in Section 15.

Section 1.1. ASA Standard. All refrigerating systems shall be constructed, installed and maintained in accordance with the provisions of the American Standard Safety Code for Mechanical Refrigeration, ASA B9.1, adopted for the purpose of this Ordinance in Section 15, and with the rules adopted herein. This code provides reasonable safeguards to life, limb, health and property; corrects certain practices which are inconsistent with safety; and prescribes definitions, test procedures, and standards for the installation, maintenance and inspection of refrigerating systems.

Section 1.2. Purpose. The purpose of this Ordinance is to provide reasonable safety for life, limb and property. Where, owing to special conditions, a literal enforcement of the provisions of this Ordinance will result in unnecessary hardship or involve practical difficulties, the Board of Appeals shall have power upon appeal in specific cases to authorize such variation, or modification of the terms of this Ordinance as will not be contrary to the public interest and so that the spirit of this Ordinance shall be observed, public safety secured, and substantial justice done.

Section 1.3. Existing Installations. Existing installations, if in good repair, may be continued in their present form provided such installations present no apparent hazard through methods of installation or operation or in their design. Where alterations or changes are proposed or made, the Department shall have the power to prohibit such alteration or to require such other additions and alterations or changes as it deems necessary for the safe operation of such altered equipment. If, in the opinion of the Department, such existing installations is found to be in a dangerous condition, or if the design or method of operation in combination with devices used is considered inherently dangerous or if there is an immediate hazard to those operating or using such equipment, it shall be the duty of the Department to make or order such tests or inspections as are deemed necessary to determine the condition of the equipment and to order such alterations or additions as are deemed necessary to eliminate the dangerous condition existing.

Section 1.4. Appeal from Rulings. Any person aggrieved by any decision, ruling or order of the Commissioner of Department personnel may appeal for relief to the Board of Appeals. Such appeal shall be made within ten (10) days after the decision, ruling or order complained of by filing with the Commissioner a notice of appeal directed to the Board of Appeals, specifying the grounds thereof and the relief prayed for. The Commissioner shall forthwith transmit to the Board of Appeals all papers constituting the record upon which the decision, ruling or order is appealed.

Section 1.5. Hearing before Board of Appeals. The Board of Appeals shall fix a reasonable time for hearing of the appeal and give due notice thereof to the parties in interest and decide the question within a reasonable time. When it is clearly evident that reasonable safety is assured, such appeal shall set as a stay of any decision, ruling or order until either approved, modified or set aside by the Board of Appeals. A fee as specified in Section 8.6 shall be deposited with the Department at the time the appeal is filed, and is paid by check or money order, it shall be made payable to the Treasurer of the City of Romulus. The Board of Appeals, upon hearing such appeal, shall either affirm, modify or set aside any such decision, ruling or order. The Department shall refund the fee if a decision is rendered in favor of the appellant.

SECTION 2. DEFINITIONS. For the purpose of this ordinance the following definitions shall apply:

Section 2.0. Additional Definitions. The definitions, as set forth in Section 2 of the American Standard Safety Code for Mechanical Refrigeration, ASA B9.1, adopted for the purpose of this Ordinance in Section 15 shall be applicable to this Ordinance.

Section 2.1. Accident. An unusual occurrence, excepting a mere shutdown of the equipment, resulting in injury to persons or structural damage to or by equipment covered by this Ordinance.

Section 2.2. Alter. The addition to or removal of any equipment or refrigerant in a refrigerating system by which the refrigerant, refrigerant capacity, refrigerating capacity, pressure allowed or location of any part of the system is changed.

Section 2.3. Approved. That which the Commissioner designates acceptable as a device, apparatus or method which by demonstration and/or test has proven workable and safe for its intended use.

Section 2.4. Board of Appeals. The Board of Appeals of the City of Romulus.

Section 2.5. Commissioner. The Director of Building of the City of Romulus.

Section 2.6. Department. The Department of Building of the City of Romulus.

Section 2.7. Existing Installation. An existing installation is a refrigerating system or part of a refrigerating system installed prior to the effective date of this Ordinance, or for which an application for permit for an installation or alteration was filed with the Department prior to the effective date of this Ordinance.

Section 2.8. Horsepower Rating. The horsepower of an electric motor shall be that shown on the motor rating nameplate. The horsepower of electric motors that do not specify horsepower rating on the required motor rating nameplate shall be determined in accordance with the applicable nameplate current and voltage ratings as shown in Table No. 1. When current ratings exceed the limits set forth in the table, the full load current tables in the National Electrical Code will be used to determine the horsepower rating. The department shall determine the horsepower rating of engines and turbines.

Section 2.9. Install. The work "install" where used herein shall include the running of refrigerant piping or tubing, the joining of refrigerant compo and/or the initial starting and putting into operation of refrigeration equipment.

Section 2.10. Major replacements. Replacements of compressors, receivers condensers, evaporators, pressure vessels, and any length of piping in excess of one and one-half inch (1-1/2") nominal diameter, and piping up to and including one and one-half inch (1-1/2") nominal

diameter when more than a twenty foot (20') run of such piping is replaced.

Section 2.11. Person. The work "person" where used herein shall mean every natural person, firm, co-partnership, association or corporation and their legal successors.

Section 2.12. Refrigeration Contractor. Any person duly licensed by the City of Romulus under the provisions of this Ordinance to install alter or service refrigerating systems, or to arrange for and supervise the performance of such work on a contractual basis.

Section 2.13. Refrigeration Journeyman. Any person who is qualified and licenses by the City of Romulus to perform the work of installation, alteration or servicing or refrigerating systems.

Section 2.14. Service. Work involving the opening into, or closing up of any refrigerant-containing component of a refrigerating system. The Addition or removal of refrigerant or the purging of a refrigerating system shall be considered as service.

Section 2.15. Supervising Employee. An officer, partner, owner or regular employee of a corporation, partnership or firm who is qualified by written and oral examinations to assume responsible charge of work covered by this Ordinance for the licensed refrigeration contractor with whom associated.

Table No. 1 Motor Ratings for Refrigerating Equipment									
H.P.	Single Phase A.C. 115 V.			H.P.	Three Phase A.C. 220 V.			H.P.	460 V.
	Nameplate Current	Service Sizing	Current Rating		Nameplate Current	Service Sizing	Current Rating

		29	73.9 to 76.6	37.0 to 38.4					
		30	76.7 to 79.3	38.4 to 39.7					

SECTION 3. LICENSING OF CONTRACTORS.

Section 3.0. Contractor License Required. No person shall install, alter or service any refrigerant-containing part of any refrigerating system without first securing a refrigeration contractor license therefor. Such licenses shall be issued by the Commissioner to qualified applicants, after the payment of a fee in accordance with the recommendation of the Board of Examiners. Persons not licensed as contractors under the provisions of this Ordinance shall not arrange to install, alter or service any refrigerant-containing part of any refrigerating system on a contractual basis, except that this may be done where a clause is made part of the contract with the purchases designating the licensed refrigeration contractor who will obtain the necessary permits and perform the contracted work.

Section 3.1. Board of Examiners. The City of Romulus designates the Board of Examiners of the City of Detroit to serve as its Board of Examiners and the applicant shall pay to the City of Detroit any fees or charges imposed by the City of Detroit any fees or charges imposed by the City of Detroit for such service.

Section 3.2. Authority of Board of Examiners. The Board of Examiners is hereby authorized to adopt rules and regulations necessary to make effective the contractor licensing provisions of this Ordinance.

Section 3.3. Application for Contractor License. Application for refrigeration contractor license shall be made on forms furnished for such purpose by the Department. The application, in affidavit form, shall, as a minimum, provide the following information:

1. Name, age and address of applicant.
2. Refrigeration experience of applicant, including refrigerants and sizes of equipment.
3. If applicant is a corporation:
 - a. Full and accurate corporate name.
 - b. When and where incorporated.
 - c. Full name and addresses of officers of corporation.
4. Name and refrigeration experience of officer or supervising employee designated to take the examination for the corporation.
4. If the applicant is a partnership:
 - a. Names and addresses of members thereof and the name and refrigeration experience of the partner of supervising employee designated to take the examination for the partnership.
5. If the applicant conducts business under a trade or assumed name, the following additional information shall be given:
 - a. Complete and full trade name.
 - b. Name of the person or persons doing business under such trade or assumed name.

Section 3.4. Experience Required for Contractor License. No refrigeration contractor license shall be issued until the applicant, or the applicant's designated supervising employee, has shown to the Board of Examiners by sworn affidavit that he meets the experience requirements stipulated herein: provided that credit varying up to a maximum of four (4) years of the required experience may be extended to any applicant who is a registered Professional Engineer, or who possesses at least a Bachelor of Science degree in Mechanical, Electrical, Civil or Chemical Engineering, or who is a graduate of a refrigeration trade school; and provided further that a minimum of two (2) years of actual experience as stipulated herein shall be required of all applicants. A supervising employee shall be employed on a full-time basis and shall be actively in charge at all times when installations, alterations and servicing of refrigerating systems are being performed by the licenses refrigeration contractor.

- (a) Class "A" Refrigeration Contractor.
 - 1) The applicant shall have been actively engaged in the installation, alteration or servicing or refrigerating systems for at least (3) three years, OR
 - 2) The applicant shall possess at least a limited refrigeration journeyman license and shall have been actively engaged as such for at least one (1) year while possessing said license.
- (b) Class "B" Refrigeration Contractor
 - 1) The applicant shall have been actively engaged in the installation, alteration or servicing of refrigerating systems for at least five (5) years, OR
 - 2) The applicant shall possess an unlimited refrigeration journeyman license and shall have been actively engaged as such for at least one (1) year while possessing said license.
- (c) Class "C" Refrigeration Contractor.
 - 1) The applicant shall have been actively engaged in the installation, alteration or servicing of refrigerating systems for at least six (6) years, OR
 - 2) The applicant shall possess an unlimited refrigeration journeyman license and shall have been actively engaged as such for at least two (2) years while possessing said license, OR
 - 3) The applicant shall possess a Class "B" refrigeration contractor license and shall have been actively engaged as such for at least one (1) year while possessing said license.

Section 3.5. Age. Applicants for refrigeration contractor license shall have attained a minimum of twenty-one (21) years of age.

Section 3.6. Examination Required for Contractor License. The Board of Examiners shall determine, by written and oral examinations, the qualifications of an applicant for refrigeration contractor license in accordance with the sworn affidavit submitted. The Board of Examiners shall determine the time and place for such examinations. There shall be at least three (3) members of the Board of Examiners present at the oral examination of any applicant. No license shall be issued to an applicant until he has passed the required examinations.

Section 3.7. Classification and Limitation of Contractor License. A refrigeration contractor license shall be classified and limited as to definite refrigerants and size of refrigerating systems with which the applicant is familiar in installing, altering or servicing, and the applicant shall be licensed for that particular refrigerant or refrigerants and size of systems; provided, however, that any persons may make application for and receive a license to engage in the installation, alteration and servicing of all sizes of refrigerating systems containing any, or all, approved refrigerants.

Contractor licenses shall be classified as follows:

- (a) Class "A" license-Limited to install, alter and service completely self-contained room air conditioners or domestic boxes not exceeding one and one-half (1-1/2) horsepower.
- (b) Class "B" license-Limited to install, alter and service refrigerating systems actuated by motors not in excess of seven and one-half (7-1/2) horsepower. Where the motor limitation does not designate horsepower, then the motor limitation shall not exceed 36.1 amperes at 220 volts, or 18.2 amperes at 440 volts. In the case of engine driven compressors the Department shall determine equivalent power limitations for Class "B" licenses.

Section 3.8. Expiration of Contractor License. Refrigeration contractor licenses shall expire on the 31st. day of December of the current year, and unless renewed by the last day of February of the following year, shall be considered revoked until the holder thereof has submitted the required application and appeared before the Board of Examiners for certification. It shall be unlawful for any person whose license has expired to install, alter or service any refrigerant-containing part of any refrigerating system, or to arrange for the performance of such work on a contractual basis, except as provided in Section 3.0. Current refrigeration contractor licenses issued by the City of Romulus prior to the adoption of this Ordinance shall be renewed within the foregoing grace period in accordance with the limitations of Section 3.7.

Section 3.9. Termination of Services. Should the qualified supervising employee's services terminate, the installation, alteration and service operation of the employer shall cease and it shall be unlawful to continue such operations until another qualified supervising employee is certified for the employer by the Board of Examiners, provided that a thirty (30) day period may be allowed for the employer, with the approval of the Department, to replace him by a qualified supervising employee. The Department shall be notified in writing by both the employee and the employer when such termination of servicing takes place. The proposed new supervising employee shall submit the required application and appear before the Board of Examiners for certification.

SECTION 4. LICENSING OF JOURNEYMEN.

Section 4.0. Journeyman License Required. The actual work necessary to install, alter or service any refrigerant-containing component of a refrigerating system covered by this Ordinance shall hereafter be done by such persons licensed as refrigeration journeymen by the City of Romulus or by any reciprocal municipality participating in accordance with the provisions of this Ordinance as specified in Section 6. The foregoing shall not apply to a helper, apprentice or specialized craftsman if his work is performed in the presence of a licensed refrigeration contractor or journeyman. A refrigeration contractor licensed by the City of Romulus is not required to hold a refrigeration journeyman license to install, alter or service refrigeration equipment covered by this Ordinance.

Section 4.1. Application for Journeyman License. Application for refrigeration journeyman license shall be made on blank forms furnished for such purposes by the Department of Buildings and Safety Engineering of the City of Detroit. Applications shall be typewritten or in ink, shall contain such information as may be deemed pertinent in determining the eligibility of the applicant for examination and shall be in affidavit form. Each application submitted shall bear the signatures of two (2) persons who are acquainted with the character and habits of the applicant. Documentary evidence of professed experience shall be submitted at the time application for journeyman license is made.

Section 4.2. Grades of Journeyman Licenses. There shall be two (2) grades of refrigeration journeyman licenses, designated as limited and unlimited, the applicable term to be indicated on the face of the license. The holder of the limited refrigeration journeyman license shall install, alter or service only completely self-contained room air conditioners or domestic boxes not exceeding one and one-half (1-1/2) horsepower. The holders of the unlimited refrigeration journeyman license may install, alter or service any refrigeration equipment covered by the license of the refrigeration contractor by whom employed.

Section 4.3. Experience Required for Journeyman Licenses. No refrigeration journeyman license shall be issued until the applicant has shown to the Department, by sworn affidavit, that he meets one of the following experience requirements, except as provided in Section 4.5:

- (a) An applicant for unlimited refrigeration journeyman license shall have at least four (4) years of experience, and an applicant for limited refrigeration journeyman license shall have at least two (2) years of experience in the actual installation, alteration or servicing or refrigerating systems, or
- (b) He shall be a registered Professional Engineer, or possess a Bachelor of Science degree in Mechanical, Electrical, Civil or Chemical Engineering, or be a graduate of an approved refrigeration trade school; in addition to which he shall have at least two (2) years of experience for unlimited refrigeration journeyman license, or one (1) year of experience for limited refrigeration journeyman license, in the actual installation, alteration or servicing of refrigerating systems.

Section 4.4. Age Applicants for refrigeration journeyman license shall have attained a minimum of eighteen (18) years of age.

Section 4.5. Examination Required for Journeyman Licenses. Written examinations for refrigeration journeyman licenses to be issued by the City of Romulus, or by any municipality participating in the reciprocal provisions of this Ordinance specified in Section 6, shall be administered by the Commissioner the Department of Buildings and Safety Engineering of the City of Detroit or his authorized assistants. The enforcing official of the reciprocating municipality for whose applicant the examinations are being conducted may be present at any phase of the administration of the examinations. No license shall be issued to an applicant until he has passed the required examinations; except that refrigeration journeyman licenses may be issued without written examination to persons who have had at least two (2) years of experience in the actual installation, alteration or servicing of refrigerating systems, provided that application therefor is made to the Department of Buildings and Safety Engineering of the City of Detroit within one (1) year of the effective date of this Ordinance.

Section 4.6. Journeyman Examination Content. Examinations shall be practical in character and shall relate to those matters which fairly test the ability of the applicant to install, alter or service refrigerating systems in a safe and proper manner. The applicant shall attain a predetermined score in the written examination (as set by the Department of Buildings and Safety Engineering of

the City of Detroit) to qualify for License. Applicants who fail the written examination shall wait at least ninety (90) days before again applying for the examination.

The Department of Buildings and Safety Engineering of the City of Detroit shall have the authority in specific cases to make such modification of the waiting period between examinations as will not be contrary to the public interest and so that the spirit of this Ordinance shall be observed.

Section 4.7. Expiration of Journeyman License. Refrigeration journeyman licenses shall expire one (1) year from the date of issue, and unless renewed within sixty (60) days thereafter, shall be considered revoked until the holder thereof has submitted the required application and been certified as specified hereinbefore. It shall be unlawful for any person whose license has expired to install, alter or service any refrigerant-containing part of any refrigerating system.

SECTION 5. PERMITS, AND SALE AND PURCHASE OF REFRIGERANT.

Section 5.0. Permits Required. No person shall install, alter or make major replacements in any part of a refrigerating system without first securing a permit from the Department, except as exempted from such requirement by Section 5.1; provided that, in cases of emergency, the permit shall be obtained within seventy-two (72) hours from the time that the installation, alteration or major replacement was started. Permits shall be issued only to persons licensed by the Department as refrigeration contractors. A double permit fee will be charged upon failure to obtain the required permits as stated herein.

Section 5.1. Permits not Required. Permits are not required for the installation of refrigerating systems in the following capacities and occupancies provided that such unit systems and/or units and systems comply with all other requirements of this Ordinance.

- a) Single or Two-Family Residence. Systems containing ten (10) pounds or less of refrigerant and/or actuated by motors or engines of one (1) horsepower or less.
- b) Other Residential Occupancies. Self-contained unit systems containing not more than six (6) pounds of refrigerant when actuated by motors or engines of one (1) horsepower or less, with the exception of all systems of any rating which are so installed as to project over public thoroughfares or sidewalks accessible to the public.
- c) Commercial, Public Assembly and Institutional Occupancies. NEW self-contained unit systems containing not more than six (6) pounds of a Group I refrigerant when actuated by motors or engines of one (1) horsepower or less, with the exception of all systems of any rating which are so installed as to project over public thoroughfares or sidewalks accessible to the public.
- d) Industrial Occupancies. NEW self-contained unit systems containing not more than twenty (20) pounds of a Group I refrigerant when actuated by motors or engines of one (1) horsepower or less, with the exception of all systems of any rating which are so installed as to project over public thoroughfares or sidewalks accessible to the public.

Section 5.2. Application for Permit. Permit applications shall be made on forms provided by the Department and shall contain sufficient information for a proper description of the equipment which is being installed, altered or undergoing major replacement. Pertinent data relating to the work to be done which cannot be adequately described on the application for permit shall be shown on plans accompanying same.

Section 5.3. Illegal Procurement of Permit. No person shall use the name of another person to obtain a permit required by this Ordinance, unless authorized to do so by the Department, provided that the latter is a licensed refrigeration contractor.

Section 5.4. Sale and Purchase of Refrigerants. The sale or purchase of gases or liquids which are intended for use as refrigerants in the City of Romulus shall not be made other than to or by the following: distributors, jobbers, manufacturers, holders of Class "A", "B" or "C" refrigeration contractor licenses, and then only those refrigerants specified on their licenses, or persons have written permission from the Department.

SECTION 6. RECIPROCAL REGULATIONS.

Section 6.0. Reciprocal Clause-Contractors. The City of Romulus may license refrigeration contractors legally licensed by other municipalities of the State of Michigan to install, alter or service or to contract to install, alter or service refrigerating equipment covered by this Ordinance, parts or accessories thereof, or appurtenances thereto, within the corporate limits of the City of Romulus upon registration with the Department and payment of a nominal fee; provided that such municipalities reciprocate in recognizing refrigeration contractors duly licensed under the provisions of this Ordinance by granting them the same privileges and charging the same uniform license fees.

Section 6.1. Reciprocal Clause-Journeyman. Refrigeration journeyman legally licensed as such by other municipalities participating in the reciprocal provisions of this Ordinance may perform work in the City of Romulus without securing a refrigeration journeyman license in said City of Romulus; provided that such municipalities reciprocate in recognizing refrigeration journeyman duly licensed in the City of Romulus by granting them the same privilege.

Section 6.2. Conditions of Participating in Reciprocal Licensing. The licensing ordinance, examinations and examination procedures of such municipality having a desire to participate in reciprocal licensing shall be substantially similar to the requirements set forth in this Ordinance, and their regulations governing the installation and maintenance of refrigerating systems shall be in substantial conformance with the provisions of this Ordinance. No refrigeration contractor license shall be recognized by the City of Romulus which has been issued by a municipality which has failed to approve by affirmative action of its legislative body, the reciprocal provisions contained in this Ordinance.

Section 6.3. Right to Participate in Reciprocal Licensing. The right of any municipality to participate in the reciprocal provisions of this Ordinance shall be determined by the Commissioner, based upon qualifications outlined in this Ordinance.

SECTION 7. INSPECTION AND ENFORCEMENT.

Section 7.0. Right of Entry. The Commissioner and his authorized assistant shall have the power during reasonable hours to enter any building within the City of Romulus for the purpose of examining equipment covered by this Ordinance. The holder of the use license shall provide such assistance as is required by the inspector in making the inspection.

Section 7.1. Interference with Department Personnel as Violation. Any person or persons who shall refuse to comply with or who shall assist in the violation of any of the provisions of this Ordinance, or who, in any manner hinders, obstructs, delays, resists, prevents or in any manner interferes with the inspectional personnel of the Department in the performance of any duty herein imposed, or shall refuse to permit such inspectors to perform their duty by refusing them entrance at reasonable hours to buildings or places for the purpose of enforcement of this Ordinance, shall be subject to the fines and penalties herein provided.

Section 7.2. Frequency of Inspections. The Commissioner and his authorized assistants are hereby empowered to:

- a) Make an inspection of all refrigerating systems and equipment which require an installation, alteration or major replacement permit
- b) Make biennial inspections of all multiple domestic systems serving more than three (3) families.
- c) Make annual inspections of the following refrigerating systems used for air conditioning for human comfort:
 - 1) Self-contained unit systems having a refrigerant-containing capacity of over ten (10) pounds or actuated by motors or engines having a standard rating of more than two (2) horsepower.
 - 2) systems other than the self-contained type when

(Continued on page 7)

CITY OF ROMULUS
Ordinance No. 71-40

(Continued from page 6)

actuated by motors or engines having a standard rating of over one (1) horsepower.

d) Make annual inspections in other than single and two-family residences of refrigerating systems used for purposes other than air conditioning for human comfort when actuated by motors or engines having a standard rating of more than one (1) horsepower.

e) Issue orders for alterations, repairs and the correction of unsafe conditions and violations of this Ordinance.

Units or systems installed in single and two-family residences of this section.

Section 7.3. Power to Test and Inspect. The Commissioner and his authorized assistants are hereby empowered to make or cause to be made such test and inspections as are deemed necessary for the purpose of safety and health and the enforcement of this Ordinance to ascertain the condition of the piping, tubing, fittings, apparatus and machinery used in any refrigerating system.

Section 7.4. Reports of Inspectors. The inspectors of the Department shall make a written report of each inspection and file same in the records of the Department. When requested, a copy of such report shall be mailed to the owner or holder of the use license.

Section 7.5. Equipment Found Unsafe. If, upon inspection of any refrigeration equipment, it is found that the use thereof would be dangerous to life or property, the Department shall thereupon serve a written notice of the findings upon the owner, holder of the installation permit or holder of the use license stating a time when repairs must be completed, except that where the work or repairs required is in the nature of an emergency whereby human life is endangered, such work or repairs may be ordered to be done at once and the equipment sealed out service as provided in Section 7.6. After the service of such notice, it shall be the duty of the owner, holder of the installation permit or holder of the use license to proceed within the time allowed to make such repairs or changes as are necessary to place said equipment in a safe condition and it shall be unlawful to operate such equipment after the date stated in such notice except where an extension of time, in writing, has been secured from the Department, unless such repairs or changes have been made and the equipment accepted by the Department.

Section 7.6. Power to Seal Equipment out of Service. The Department, in addition to the penalties provided in Section 10 of this Ordinance, shall have the power to close down any refrigerating equipment for the following reasons:

a) For failure to secure a use license or to renew such license.

b) When in case of emergency, in the opinion of the inspector, any refrigeration equipment is in such condition as to render it unsafe for operation.

c) For willful failure to comply with recommendations issued by the Department for the correction of violations.

Section 7.7 Notice of Sealing out of Service. Before sealing any refrigerating equipment out of service, the Department, except in case of emergency, shall serve written notice upon the holder of the use license, stating its intention to seal the equipment out of service and the reasons therefor.

Section 7.8. Unlawful to Remove Seal. Any device sealed out of service by the Department shall be plainly marked with a sign or tag indicating the reason for such closing down, and any defacing or removal of such sign or tag, or any tampering with or removal of such seal without the approval of the Department, shall constitute a violation of this Ordinance.

Section 7.9. Advertising, Signs and statements. No person shall use any word or words in any sign, display, business form or document, or advertising medium which indicates, or tends to indicate, that he is qualified to install, alter or service refrigerating systems covered by this Ordinance, unless such person is licensed as a refrigeration contractor in accordance with the provisions of this Ordinance.

Section 8. use license, accidents and fees.

Section 8.0. Use License Required. No person shall use or cause for use any refrigerating systems or compressor unit which is subject to annual or biennial inspections under the provisions of this Ordinance without first securing a license for such use from the Department. This license, in the case of equipment installed under current installation permit requirements and not previously inspected by the Department will be issued by the Department without charge after inspection and approval of the equipment. Failure to secure such license shall constitute a violation of this Ordinance.

Section 8.1. Annual Use License. A use license shall be renewed annually upon payment of a fee as provided in Section 8.6. on the date established by the Department for each building equipped with a multiple domestic system or systems and subject to biennial inspections under the provisions of this Ordinance. Failure to renew the biennial use license shall constitute a violation of this Ordinance.

Section 8.3. Certificate of Overtime Inspection. A certificate of overtime inspection must be obtained for all services provided by the Department during periods other than regular working hours.

Section 8.4. Notification of Accident by Licensee. The holder of the use license of any refrigerating system or compressor unit covered by this Ordinance shall immediately notify the Department of every accident involving personal injury or damage to any refrigerant-containing part of the system, and shall afford the Department every facility for investigating such accident.

Section 8.5 Unlawful to Use System Following Accident. Where an accident involves damage to any refrigerant-containing part of the system, it shall be unlawful to use such refrigerating system until after an investigation is made and approval for continued use is granted by a representative of the Department.

Section 8.6. Fees. The fees for permits, licenses, examinations and appeals shall be as follows:

Installation, alteration or major replacement permit\$8.00

Annual or biennial use license\$5.00

Refrigeration contractor license\$25.00

Registration of refrigeration contractor license\$10.00

Refrigeration journeyman license\$5.00

Contractor examination\$10.00

Journeyman examination\$10.00

Appeal fee for hearing before Board of Appeals\$25.00

Special or shop inspection\$20.00

Double Fees. In all cases where installation is commenced prior to the issuance of a permit for such installation, a double fee shall be charged.

Section 8.7. Classification of Systems and Compressor Units. For the purpose of classification and establishing license fees, refrigerating systems and compressor units shall be divided into the following groups:

Refrigerating systems or compressor units other than multiple domestic systems:

Group A. - 1-1/2 to 5 horsepower, inclusive

Group B. - Over 5 to 50 horsepower, inclusive.

Group C. - Over 50 horsepower capacity.

Buildings equipped with multiple domestic systems:

Group D. - Systems serving 4 to 10 apartments, inclusive

Group E. - Systems serving 11 to 20 apartments, inclusive.

Group F. - Systems serving 21 to 30 apartments, inclusive.

Group G. - Systems serving 31 or more apartments.

SECTION 9. INSTALLATION REQUIREMENTS.

Section 9.0. General. In addition to the requirements as provided in the American Standard Safety Code for Mechanical Refrigeration ASA B9.1, adopted for the purpose of this Ordinance in Section 15, the requirement

as provided in the following sections of this Section shall also apply.

Section 9.1 Soldered Joints on Copper Tubing. Soldered joints on copper tubing used in all refrigerating systems, except approved self-contained units containing six (6) pounds or less of a Group I refrigerant, in buildings for institutional and public assembly uses, and in refrigerating systems containing more than twenty (20) pounds of refrigerant in buildings of other use groups shall be fabricated with solders or alloys having melting points of not less than one thousand (1,000) degrees F.

Section 9.2. Check Valves. A discharge check valve shall be provided in the discharge line from each compressor used on a refrigerating system containing more than forty (40) pounds of a Group 2 or Group 3 refrigerant.

Section 9.3. Valves on Water Connections. When city water is connected to any refrigerant-containing component of a refrigerating system (e.g. shell-and-tube condensers, double-pipe condensers, water-jacketed compressor cylinders, etc.) in such a way that there would be direct contact between city water and the refrigerant upon leakage through the wall separating the two fluids, the following provisions shall apply:

a) The water control valve, either manually or automatically operated shall be located on the inlet side of the refrigerant-containing component; and

b) There shall be no automatically or manually operated water shut-off valve in the discharge piping from the refrigerant-containing component; except where two or more components are served in parallel from a common water supply line, provided a check valve is installed upstream from all supply connections.

Section 9.4. Installation in Windows or Other Wall Openings. Refrigeration systems or units installed in windows, transoms or other such wall openings shall rest upon building members of sufficient strength to safely support their weight. Such units or systems shall be adequately supported by metal brackets securely anchored or attached to the building. The brackets exposed to weather shall be of suitable design, thickness, etc., to withstand corrosion for a prolonged period. Bracket attachments or anchors shall be so located as to be readily accessible for inspection, terminating within the building if necessary to meet this requirement. No refrigerating system or unit shall extend beyond the building in such a manner as to create a hazard to pedestrian or vehicular traffic nor shall encroach into a required yard.

Section 9.5. Air Duct Systems. Air duct systems shall be designed, constructed and installed in accordance with the official Building of the City of Romulus.

When a refrigerating system is located within a Class T machinery room in order to comply with the requirements pertaining to type or quantity of refrigerator building occupancy, the presence of an opening in the air duct system within such room shall void its designation as a Class T machinery room, and the requirements pertaining to refrigerating systems not located in a Class T machinery room shall apply.

Section 9.6. Concealed Equipment. Soft annealed copper tubing which is concealed shall be encased in a rigid conduit, except that such tubing completely buried, in concrete may be encased in flexible conduit. Hard copper tubing which is buried underground or under the lowest floor of a building shall be encased rigid conduit. Hard copper tubing which is completely buried in concrete shall be encased in either rigid or flexible conduit. Permanent inspection openings shall be provided in the covering of concealed tubing joints. It shall be unlawful for owners, contractors or workmen to lath over or in any way conceal any piping, outlet boxes, or other part of a refrigerating system until an inspection has been made thereof and due notice given that the work has been passed upon by the Department. In case any obstruction has been placed so as to conceal any piping or part of the installation before the Department has made an inspection thereof, the Department may remove or cause to be removed any such lath or obstruction which may conceal the work so that proper inspection may be made. Under urgent conditions, upon proper notification, it shall be the duty of the Department to make a proper inspection within seventy-two (72) hours from the time it is notified.

Section 9.7. Roof-Mounted Equipment. Refrigerating systems or units, not exceeding four hundred (400) pounds in total weight and installed on the roofs of buildings shall be supported by at least two (2) structural members of sufficient strength spanning at least four (4) wood joist, or three (3) steel joists, or two (2) trusses of a roof system properly designed to support it's own dead weight and a live load of not less than thirty (30) pounds per square foot. Such equipment and supporting members shall be adequately secured to the joists, or trusses of the roof system; and the roof deck shall be made water-tight after such anchorage system is completed. The location of the equipment shall be limited to the first one-fourth distance from any bearing wall.

Equipment installed so as to exceed the weight, placement or roof strength requirements specified in this section shall meet the requirements of the Department, including the obtaining of the necessary building permits.

Section 9.8. Accessibility of Equipment. Where refrigeration equipment is installed in relatively inaccessible locations, such as roofs, crawl spaces, attics, furred spaces and similar areas, means shall be provided for gaining safe approach and access to such equipment for servicing and inspection. Portable ladders shall be not over twenty (20) feet long with at least three (3) rungs projecting above the roof, parapet, platform, etc. Stationary ladders over twenty (20) feet high shall be provided with proper loops or guards above the twenty foot level. Stairways shall be provided with handrails. All ladders and stairways shall be of substantial construction. Openings in building construction to the equipment shall be at least twenty-four (24) inches by thirty-six (36) inches in size. Trapdoors shall be properly hinged and counterweighted. An unobstructed passageway, not less than three (3) feet high, with solid flooring at least two (2) feet in width, shall be provided to the equipment. All parts of the equipment shall be accessible for inspection and servicing. Solid flooring at least two (2) feet in width, shall be provided to the equipment. All parts of the equipment shall be accessible for inspection and servicing. Solid flooring, measuring at least thirty (30) inches out from the equipment, with at least three (3) feet of headroom provided, shall be furnished around the equipment.

Adequate lighting shall be provided at the equipment. The switch controlling the electric light and the disconnect switch for the equipment shall be installed in a readily accessible location, remote from the equipment area or the approach area if necessary to meet this requirement.

Section 9.9. Lubricating Oil Protection Control. Pressure lubricated positive displacement compressors having a displacement exceeding fifty (50) cubic feet per minute shall be equipped with an approved control device, requiring manual resetting, which will stop the action of the compressor in the event of loss of adequate lubricating oil pressure.

Section 9.10. Workmanship. Piping, tubing and all other refrigerant-containing components of a refrigerating system shall be securely installed in a workmanlike manner, in accordance with the approved instructions of the manufacturer and the provisions of this Ordinance. All such equipment shall be protected from mechanical damage where necessary.

Section 9.11 Certificate of Inspection. When any new work, whether installation, alteration or major replacement, for which a permit is required under the provisions of this Ordinance, has been completed to the satisfaction of the Department, there shall be issued upon request of the holder of the use license, a certificate of inspection certifying that the installation is in accordance with the provisions of this Ordinance and that the refrigerating system may be operated. Such certificate shall be posted in a conspicuous place in the proximity of the compressor..

Section 9.12. Other Refrigerants. No refrigerating system shall be maintained or operated employing a refrigerant other than is specified in this Ordinance without a permit issued by the Department, upon such conditions consistent with the provisions of this Ordinance as are deemed necessary in the interest of public safety by the Commissioner.

Section 9.13. Charging or Removing Refrigerants. Charging a system with a refrigerant or removing same therefrom shall be done by a licensed refrigeration contractor; provided, that in case of fire or emergency, the system may be discharged by the Fire Department.

Section 9.14. Installation in One or Two-Family Dwellings. Refrigeration equipment used for central air conditioning purposes and installed outside of one or two-family dwellings and their attached structures shall not result in being a noise nuisance, and shall be located in back of the rearmost portion of the structure no less than five (5) feet within the extreme sides of the main structure. All provisions of the official Zoning Ordinance of the City of Romulus shall apply. For the purpose of this section, open patios shall not be considered a portion of the structure.

Section 9.15. Authority of Other Departments. Nothing in this Ordinance shall be construed as limiting the authority of this Department or other departments in making inspections under their respective regulations. All applicable ordinances and regulations of the City of Romulus shall be adhered to.

SECTION 10. PENALTIES. Any person, or anyone acting in behalf of said person, violating any of the provisions of this Ordinance or any rules, regulations or codes lawfully promulgated or adopted hereunder shall, upon conviction thereof, be subject to a fine of not more than Five Hundred Dollars (\$500.00) or to imprisonment for a period of not more than ninety (90) days, or to both such fine and imprisonment, in the discretion of the court. Each day that a violation of this Ordinance is continued or permitted to exist without compliance shall constitute a separate offense punishable upon conviction in the manner prescribed in this section.

SECTION 11. SUSPENSION AND REVOCATION OF LICENSE. Refrigeration contractor or refrigeration journeyman licenses may be suspended or revoked by the Commissioner upon recommendation of the Refrigeration Board of Examiners. The causes for which such license may be suspended or revoked shall be gross incompetence, gross neglect, deliberate misrepresentation or willful failure to comply with the requirements of this Ordinance.

Such suspension or revocation shall be made in the following manner: The licensee shall be given seven (7) days notice that his license will be suspended or revoked, and the reason or reasons therefor, unless good cause is shown to the contrary at a hearing provided before the Refrigeration Board of Examiners. Pending the hearing the Commissioner may forthwith suspend such license if the circumstances, in his opinion, justify such action. After the hearing, a recommendation shall be made to the Commissioner who may suspend or revoke the license if such action, in his opinion, is in the best interests of the people of the City of Romulus.

It shall be unlawful for any person whose license has been suspended or revoked to install, alter or service any refrigerant-containing part of any refrigerating system, or to arrange for the performance of such work on a contractual basis, until such suspended or revoked license has been reinstated, except as provided in Section 3.0.

SECTION 12. SEVERABILITY. If any clause, sentence, paragraph or part of this Ordinance, or the application thereof to any person, firm, corporation or circumstance, shall for any reason, by a court of competent jurisdiction, be adjudged to be unconstitutional or invalid, said judgment shall not affect, impair or invalidate the remainder of this Ordinance and the application of such provision to other persons, firms, corporations or circumstances, but shall be confined in its operation to the cause, sentence, paragraph or part thereof directly involved in the controversy in which such judgment shall have been rendered and to the person, firm, corporation or circumstance involved. It is hereby declared to be the legislative intent of this body that the Ordinance would have been adopted had such invalid provision not been included.

SECTION 13. SAVING CLAUSE. Any prosecution arising from a violation of any ordinance repealed herein, which prosecution may be pending at the time this Ordinance becomes effective, or any prosecution which may be started within one (1) year after the date of this Ordinance in consequence of any violation of any ordinance repealed herein, which violation was committed previous to the date of effect of this Ordinance, shall be tried and determined exactly as if such ordinance had not been repealed.

SECTION 14. LEGALITY OF ADOPTING CODES BY REFERENCE. Whereas Section 117.3, section 3 (k) of the Compiled Laws of 1948, of the State of Michigan, as amended provides that each city, village or township shall have power, whether so provided in its charter or not, to adopt by reference in an ordinance any refrigeration code which has been promulgated by an organization or association which is organized and conducted for the purpose of developing any such code; provided, that such code is clearly identified in the adopting ordinance and its purpose published with the said ordinance and that printed copies thereof are kept in the office of the City, village or township clerk available for inspection by and distribution to the public at all times; and provided further that a complete copy of such code is available for public use and inspection at the office of the city, village or township clerk, and that she said publications shall also contain a notice to that effect:

NOW, THEREFORE, BE IT RESOLVED that notice is hereby given that the Code of the American Standards Association ASA B9.1-1964, Safety Code for Mechanical Refrigeration, containing definitions, specifications and material standards for the construction, installation, inspection and operation of refrigeration equipment is hereby adopted by reference. Notice is hereby given that complete copies thereof are available for public use and inspection at the office of the City Clerk.

SECTION 15. IMMEDIATE EFFECT CLAUSE. This Ordinance is hereby declared necessary for the preservation of the peace, health, safety and welfare of the people of the City of Romulus and shall take effect immediately upon publication of the Ordinance.

SECTION 16. ADOPTION AND PUBLICATION. This Ordinance is hereby declared to have been adopted by the City Council of the City of Romulus, Wayne County, Michigan at a regular meeting thereof duly called and held on the 11 day of March, 1971, and ordered to be given publication in the manner prescribed by law.

I, Leonard J. Folmar, Clerk of the City of Romulus, do hereby certify that the foregoing is a true copy of an Ordinance No. 71-40 adopted by the Romulus City Council at a Regular Meeting held on March 11, 1971.

Leonard J. Folmar, Clerk
City of Romulus

Hyle J. Carmichael, Mayor
City of Romulus

CITY OF ROMULUS

8. New Business
- a. Refrigeration Ordinance
- b. Ordinance Amendment to Ordinance No. 70-20
- c. Ordinance Amendment to Ordinance No. 71-35
- d. Ordinance Amendment to Ordinance No. 71-35

9. Communications
10. Warrants
11. Discussion
12. Adjournment

Roll call vote showing: Ayes— Bizek, Block, Oakley, Edwards, Stewart. Nays — None. Motion carried unanimously.

3. Motion by Edwards, supported by Bizek, to approve the minutes of the February 23, 1971 Council Meeting as published. Roll call vote showing: Ayes — Bizek, Block, Oakley, Edwards, Stewart. Nays — None. Motion carried unanimously.

Motion by Bizek, supported by Block, to approve the minutes of the March 2, 1971 Council meeting as published. Roll call vote showing: Ayes — Bizek, Block, Oakley, Edwards, Stewart. Nays — None. Motion carried unanimously.

6. Motion by Stewart, supported by Block, to adopt Resolution No. 71-106 (Transfer of Tax Reverted Land).

RESOLUTION REQUESTING THE TRANSFER OF TAX REVERTED LAND FROM THE STATE OF MICHIGAN TO THE CITY OF ROMULUS.

WHEREAS: The State of Michigan now holds title to certain properties within the boundaries of the City of Romulus, and

WHEREAS: State Act 196 of P.A. 1970, which further amends Act 223 P.A. 1969, as amended, provides that State owned property may be transferred to local governmental units provided that the unit desires the property for public use.

THE CITY OF ROMULUS
NOW THEREFORE BE IT RESOLVED BY THE ROMULUS CITY COUNCIL:

That the City of Romulus shall apply to the Department of National Resources for the transfer of certain tax-reverted lands, as set forth in the attached schedule A. Such application shall be made under option number 2 of said act and the City of Romulus shall pay the nominal cost of maintenance as established by the Department of National Resources of the State of Michigan.

Motion by Block, supported by Stewart, to approve Warrant No. 32. Roll call vote showing: Ayes — Bizek, Block, Oakley, Edwards, Stewart. Nays — None. Motion carried unanimously.

11. Motion by Stewart, supported by Edwards, to adopt Ordinance Amendment No. 71-35.1 (Retail Business). Roll call vote showing: Ayes — Bizek, Block, Edwards, Stewart. Nays — Oakley. Motion failed.

Motion by Bizek, supported by Block, to table Ordinance Amendment No. 71-35.1. Roll call vote showing: Ayes — Bizek, Block, Edwards, Stewart. Nays—Oakley. Motion carried.

Motion by Stewart, supported by Block, that the meeting be adjourned. Roll call vote showing: Ayes — Bizek, Block, Edwards, Stewart, Oakley. Nays — None. Motion carried unanimously.

Respectfully submitted
Leonard J. Folmar, Clerk
City of Romulus

I, Leonard J. Folmar, Clerk for the City of Romulus, do hereby certify that the foregoing is a true copy of the minutes of the Regular Meeting for the Romulus City Council held on March 11, 1971 at the Waterboard Building.

Leonard J. Folmar, Clerk
City of Romulus

VAN BUREN PUBLIC SCHOOL MINUTES

REGULAR MEETING
February 8, 1971

The Regular Meeting of the Van Buren Board of Education was held in the Board Room of the Administration Building on Monday, February 8, 1971 at 8:00 p.m.

Members present: Mrs. Barbara Miller, Mr. Robert Archer, Mr. James Sayre, Mr. Charles Bole, and Dr. Richard Muse. Absent: Mrs. Doris Roe. Also present were Superintendent Kaulitz, Curriculum Director Kohr, Business Manager Von Destinon, and Elementary Supervisor Gray.

The meeting was called to order at 8:05 p.m. by President Bole.

The minutes of the regular meeting of January 11, 1971 and special meetings of January 18, 1971 and January 25, 1971 were reviewed and approved as printed.

The bills for the month of January were reviewed. Motion by Muse, supported by Archer, that the bills be paid as presented. Motion carried.

Superintendent Kaulitz read a letter from Mr. Ernest Carlington, 4945 Westview Dr., Wayne requesting that his son Terry, a senior at Belleville High School, be allowed to finish his senior year as

Spring Sparkle

by Laura Wheeler

Spark a spring outfit with lacy, quick crochet tops. Everything that glitters is party news! Crochet vest, shell of metallic novelty yarn with bead trim. Easy pattern stitch. Pattern 541, sizes 10 to 14. Size 12 (bust 34).

SEVENTY FIVE CENTS for each pattern for Air Mail and Special Handling. Sent to: (Anne Adams, Care of The Cally Eagle, Pattern Dept., 243 West 17th St., New York, N.Y. 10011. Print NAME, ADDRESS with ZIP, SIZE and STYLE NUMBER. To insure prompt service all requests should go to New York. NEW FASHION-PAKED spring Summer Catalog, separates, jumpsuits, styles, galore. Free pattern coupon. 50c INSTANT SEWING BOOK—cut, fit, sew modern way. \$1.00 INSTANT FASHION BOOK—what to wear answers. \$1.00.

PLUNGIS, FRANK, died March 14th, of Wayne. Husband of Evelyn; father of Mrs. Julie Martin, Barbara, Mary Ellen, Pvt. Robert Plungis and Michael; grandfather of Larry, Gerry and Garry. Funeral Wednesday 9:30 a.m. Lents Funeral Home, 34567 Michigan Ave., Wayne. Requiem Mass 10 a.m. at St. MARY'S Church. Rosary Tuesday 8 p.m.

GOOD DEAL

When it benefits both buyer and seller, any business transaction is a good deal. And when the transaction is handled quickly and inexpensively, it's even better.

But with Want Ads, there are only good days. Want Ads work every day because each day there is a whole new group of people reading and responding to these newsy little ads. 729-3300

Progress report given on grand opening

An elaborate program is in the making for the dedication and grand opening ceremonies for the City of Romulus' new Municipal Building and Library.

The two structures, now under construction on the southeast corner of Wayne and Goddard Rds., compose the first building program of the city's multi-million dollar Municipal Complex which will occupy 16 acres of city-owned land at the intersection.

The dedication and grand opening is slated for the early part of June, 1971.

In a progress report made by Mayor Hyle J. Carmichael at the March 11 council meeting (in behalf of the Civic Center Grand Opening Committee) some of the plans for the big event were disclosed.

The city's service organizations, clubs, Veterans of Foreign Wars (VFW) units, bank branch of the Manufacturers National Bank, prominent community leaders and officials will all be

participating in phases of the dedication program.

The committee has decided upon the distribution of memento coins.

Displays by firms that have done and do business with the city are being prepared.

The service clubs, it was reported, are planning a Veterans Memorial Monument.

A full week of festivities is being scheduled. The new Municipal Building and adjacent new Library will be open from 9 a.m. to 8 p.m. during the week of the Grand Opening.

A history of Romulus covering the last 100 years is to be compiled by Romulus Librarian and Romulus Literary Club.

Plans call for a 12-page historic document commemorating the milestone event.

Among the items yet to be discussed is seeking the participation of the Romulus

High School Band and Choir and Civil Air Patrol in the grand opening ceremonies.

Members of the 25-member Civic Center Grand Opening Committee are:

Doug Baum, president of the Romulus Chamber of Commerce.

Edmund Galazka, member of the Romulus Building Authority.

Leo Kalota, member of the Romulus Building Authority.

The civic center is being built under the supervision of the Romulus Building Authority which will operate the Municipal Complex during the life of the \$1,975,000 bond issue floated to finance the construction of the first two phases.

An additional bond proposal will be submitted to finance the two remaining structures slated for the civic center.

They are a Community Recreation Center and Police Headquarters.

Other members of the

committee are: William Quiney, Romulus Homeowners Association; Elmer Johnson, Romulus Progressive Club; Ron Hopson, president of the Romulus I. Q. Group; Jack Trumbull, president of the Romulus Democratic Club; Thomas Janack, Romulus Kiwanis Club; Ronald Collins, Romulus Jaycee Club; Gerald Budd, Romulus Rotary Club; Leonard J. Folmar, City Clerk; Albert Glinski, city treasurer; Mrs. Rita

McLenon, co-chairman; and Mrs. Marianne Pokrowski, co-chairman; Sandy Block, Miss Elvera Fischer, Mrs. Helen Gallian and Theresa Bryant; Charles W. Hazen, industrial co-ordinator for the City of Romulus; Russell Makowski, Jessie White, Walter Kusak, Diane Colvert, Romulus Librarian; and Clarence DePas.

The next meeting of the Civic Center Grand Opening Committee is scheduled for April 7.

Head Start plan gets new funds

Romulus boys and girls needing special educational assistance, who are handicapped by poverty,

neglect or cultural isolation or who have special health problems that prevents them from reaching their potential

in educational attainment, will be eligible for a new Head Start program funded under Title I, Elementary and Secondary Education Act.

Mrs. Lorena Burton, state and federal coordinator is now accepting applications for qualifying youngsters five years old on or before Dec. 1 and who will begin kindergarten in September.

The purpose of the program is to stimulate the physical, social and intellectual growth of the children. Those enrolled

would also receive complete health and welfare services. Eligibility requirements include families receiving ADC, free lunches, who have an income of \$3,000 or less annually, have inadequate housing or those with special health needs.

The classes, planned to begin the latter part of April, will be available to public and parochial pre-schoolers who are not included in the OEO Headstart classes now in progress.

Diabetes talk set

The Downriver Unit of the Michigan Diabetes Association will meet on Thursday, March 24 at 8 p.m. in the Community Room of Peoples Bank, 2674 W. Jefferson, Trenton, one block north of West Road.

The guest speaker will be George C. Thosteson, M.D., adjunct professor of medicine of the Wayne State University School of Medicine. Dr. Thosteson was a founder of the American Diabetes Association and is a

board member of the Michigan Diabetes Association of which he was also a co-founder.

Dr. Thosteson's subject will be "Travelling With Diabetes" with emphasis on adjusting meals and medication away from home. Following his talk will answer questions from the audience.

The public is invited to attend at no charge. Free literature about diabetes will be available.

Mrs. Elsie Zubek, 81, former resident of S. Huron River Dr. passed away early Thursday morning. Mrs. Zubek was rushed from the VanBuren Nursing Home when she became ill but was pronounced dead on arrival at Wayne County General Hospital.

Families of the Romulus and New Boston United Methodist Churches will join in the second of a series of Lenten Dinners Thursday (tomorrow) at 6:30 p.m. The meal will be pot luck, and will be held at the New Boston church.

The next meeting of the Ladies Missionary Group will be held 10 a.m. Thursday, at the Calvary Baptist Church on Ozga Rd.

The Romulus Kiwanis Club led the entire Division in February in attendance and is well on its way to top honors for the year. Individual members can help my making sure they have 100 per cent this month in attendance.

Mrs. Frederick Hay and Miss Pearl Morris, both of S. Huron River Dr. visited a cousin, Sister M. Victoria, Friday afternoon at St. Joseph's Hospital in Flint. Sister Victoria suffered a stroke over two weeks ago but is now improving nicely.

Eugene Gribble of Aston St. entered Seaway Hospital in Trenton on Sunday and is expected to undergo surgery there later this week. Friends can write him by addressing mail to him at Room 237, Seaway Hospital, 5450 Fort St., Trenton, Michigan.

Parishoners and friends of the United Methodist Church, Olive St. are asked to watch

next week's paper for further particulars of the big church clean-up being planned for Saturday, March 27. The aim of the program is to get the sanctuary and other church rooms in "ship-shape" for Easter.

Members of the Wayne County Sportsmen's Club, their wives and other guests enjoyed their Annual St. Patrick's Dance Saturday evening at the club headquarters on Inkster Rd. Among local folks joining in the festivities were club president Virgil Varner and his wife, Pearl, of Haggerty Rd.

Local 4-H'ers will participate in the Wayne County 4-H Achievement Day program scheduled for Saturday, March 20, at Plymouth Central High School, Church and Main St., Plymouth. Exhibits are to be set up during the hours of 9 a.m. to 12 noon. The evening program will begin at 7 p.m.

William Younglove, Wayne County 4-H Youth Agent, is convalescing at home following his recent hospitalization at St. Joseph's in Ann Arbor.

Mr. and Mrs. Charles Hengstebeck of Kalamazoo are the parents of an eight pound, three ounce daughter born March 13. The baby was named "Marylee Susan" and is the couple's first child.

Spring sale is scheduled

The Mothers Club at St. Anthony's Catholic Church of Belleville will sponsor a spring rummage sale.

The sale is scheduled for March 19-20. Parishoners are reminded that when they do their spring cleaning to save their discards for the rummage sale.

Your loan starts here!

388-0300

And it ends, very conveniently, at the branch office nearest your home, thanks to "Phone-A-Loan".
"Phone-A-Loan", is one of the many services we've created, in an effort to make banking with us, as simple and convenient as possible.

Next time you need money for a new automobile, recreational vehicle, home repairs, or a personal loan, simply dial 388-0300 and ask for "Phone-A-Loan".

Tell our people that you would like a "Phone-A-Loan" and

before you know it, your application will be approved. Soon, possibly the same day, we'll call to tell you where you can pick up your check. Because we have twenty-two offices, chances are,

you'll be just minutes away from one of our branches.

Why spend a lot of needless time running back and forth when you need a loan? Thanks to "Phone-A-Loan", you can have the money you need, for the things you want. Simply dial 388-0300 and ask for "Phone-A-Loan".

Mr. Employer: You don't have to compare Workmen's Compensation policies!

Why? Because all compensation coverage, including basic rates, is set by law. But there are still three ways to reduce your costs through the Citizens Plan. They are unique in offering a safe-worker program, an accident-reduction program, plus a dividend (up to 30%) and premium savings plan. Get complete details from your Citizens Man—you'll find there's no comparison.

Romulus five ousted by Ann Arbor

Melee mars finals

Nate Davis, a lanky 6-5 senior, climaxed a brilliant basketball career at Romulus High School Friday night at Adrian as he dumped in 32 points in an effort to turn back a taller Ann Arbor Pioneer quintet in the Class A regional finals.

Davis' performance wasn't enough, however. The Eagles were eliminated from the tournament 98-76 in a see-sawing affair that was marred by a student melee after the game.

The melee ended in the knifing of Romulus' junior

forward Calvin Harris and Ann Arbor's William Malcolm who were slashed by fans after the game. Several windows in the location of the high school's swimming pool were also broken by irate fans.

Neither of the victims was seriously injured.

The Pioneers who had a front line made up of 6-8 Robert Elliott, 6-5 Malcolm and 6-4 Edgar Burch reeled off 12 points in a row late in the first period to grab the lead away from Romulus who were forced to change their game

plan after Davis collected two quick fouls.

Ann Arbor was in command at the end of the initial period 24-14 and stayed ahead 46-35 at the half.

Davis brought the Eagles to life in the third quarter, pouring in 11 of his 32 points to erase a 19 point deficit. Romulus came within three points of tying it up.

However, Rich Walterhouse reeled off five consecutive shots from the side and to pull the Pioneers out of danger.

Outscored 25-24 in the third, the Eagles fell behind by as

much as 21 points in the finale where they lost the scoring duel 26-16.

Davis, before fouling out in the last two minutes of the game, hit on 12 buckets and eight free throws for 32 points to take individual scoring honors away from Burch, who had 30 points for the game.

As he left for his place on the bench, the Romulus floor leader received a standing ovation from the 2,000 fans that had stormed Adrian High School to watch the battle.

Also in double figures for Romulus were Keith Simmons, with 13 and Tony Owens with 10.

Romulus wound up with a 14-7 over-all record and a second place in the final Twin Valley Conference standings. (The league will be dissolved after the current school year).

The 14-7 mark also was the best in the 23 year history of the school which pleased first year coach Dave Court.

"We had to shift from our game plan when Nate received those early fouls," said Court, discussing the game. "And a controversial basket that we didn't get credit for in the first period didn't help matters out. These things added up."

"And I would like to say that we shouldn't condemn all of our fans because of what two or three persons who know-from-where did after the game."

"Our fans have been wonderful and I wish to commend them," Court said.

Nate gets Eagles to finals

Nate Davis' basket with seven seconds remaining settled the issue between Romulus and Dearborn Heights Robichaud for the berth in the regional championships at Adrian.

Fighting an uphill battle all the way after trailing by as much as 10 points in the final stanza, Davis dropped in an under-the-basket jumper to give Romulus a 59-58 victory over the Bulldogs and the right to move on to the championship.

Robichaud couldn't find a way to stop the 6-5 one-man-team who drilled in 12 baskets and six free throws for 30 points, the game's high. Nate hit for 13 points in that pivotal last quarter.

The Dearborn Heights cagers went out in front 12-8 in the first quarter, holding Davis scoreless in that span of eight minutes. Robichaud remained ahead 29-21 at the half, and increased the margin to 10 points for three frames.

Along with those 30 points, Davis also hauled down 21 rebounds. Teammate Calvin Harris supported him with 19 points. They were the only two in double figures.

Robichaud had three players hit in doubles including Lukie Ealey who had nine baskets and two free throws for 20; Jim Alverson, who had 16 and John Chandler, with 10.

North Jr. wraps up cage season

Belleville North Junior High 7th grade Basketball team finished their first season with a 7-1 record, outscoring their opponents 322-247.

High scorers for the season were Dennison Easley with a 12.4 scoring average and David Abraham with a 11.4 scoring average per game.

Other members of the team,

under the coaching of George Howard, were: Tom Bauer, Scott Rice, Dan Scripser, Dan Theodore, Russ Rooks, Roland Rojas, Al Russell, Ralph Ralfalski, Angelo Pritchett, Tom Sayre, Mark Hewitt, Clark Hewitt and Douglas Williams, manager was Norris Herron.

The scores for the season were:

A WAY OUT - Romulus' fast-moving, slick ball-handling guard Ron Kersey (20) drives past Ann Arbor Pioneers' Richard Walterhouse (12) in Friday night's regional finals held at Adrian High School. Romulus rallied in the third quarter against the Pioneers but couldn't make up a 19-point

deficit and was ousted in the finals, 98-76. However, the Eagles finished 14-7 on the season, giving them their best basketball record in 23 years and first year Coach Dave Court a winning season.

Local archers compete at state championships

Although local archers from the Metropolitan Archery Association didn't gain top posts in the State Indoor Archery Championship PAA Round, they were well represented in numbers as well as spirit in the state competition in Lansing, March 13-14.

Those who did bring home

trophies for their shooting efforts in their classifications were first place Regina Kittle in girl's bare bow, second place in boy's bow, Larry Kittle, and Harry Riopelle coming in third in men's bare bow.

Not to be outdone by the fairer sex who claimed first place in the team event for the Flint Round last month, the Belleville Archery Club men's team captured first place this month with a total score of 1155 of a possible 1200. On that team were Bill Good, Dick Cardinal, Bob Hall, and Ted Hoinka.

With the major state indoor tournaments now completed, plans are well under way for outdoor competition. This year the Metropolitan Archery Association has been chosen to host the Outdoor State Championship June 12-13.

Enterprise-Roman Sports

Second Section
Wednesday, March 17, 1971

Page 17

Promising to be among the competitors will be this week's winner, Dickie Roberts, designer and manufacturer of the FireBall Bow. Also present will be Phil Grable who originated the Executive Bow manufactured by Darton.

Grable was named Michigan Archer of the Year for 1970, and also has the

distinction of having appeared on television explaining some of the different rounds and equipment used in archery today.

To be eligible to compete against these top archers, a shooter must be a member of the Michigan Archers Association (MAA). Information on membership is available through any local archery club or range.

Tigers tuning up for baseball season

With the opening of the American League season only a month away, the Detroit Tigers announce that mail order sales of individual game tickets will begin this week.

The Tigers open their 1971 campaign at Tiger Stadium on April 6 against the Cleveland Indians.

Norman P. Otto, director of ticket sales, said that plenty of good seats are still available for opening day and all other games on the home schedule, despite a heavy sale of season tickets.

Mail orders for individual games should specify the game desired by the date, number of tickets and the seating location preferred. A

check or money order, payable to the Detroit Baseball Club must be enclosed.

An addressed, stamped, return envelope will help speed delivery. Orders should be sent to Ticket Department, Tiger Stadium, Detroit, Michigan 48216.

Over the counter sales for tickets for opening day and the rest of the home schedule will begin on March 29 at the Tiger Stadium Advance Ticket Office and at other Tiger ticket agencies.

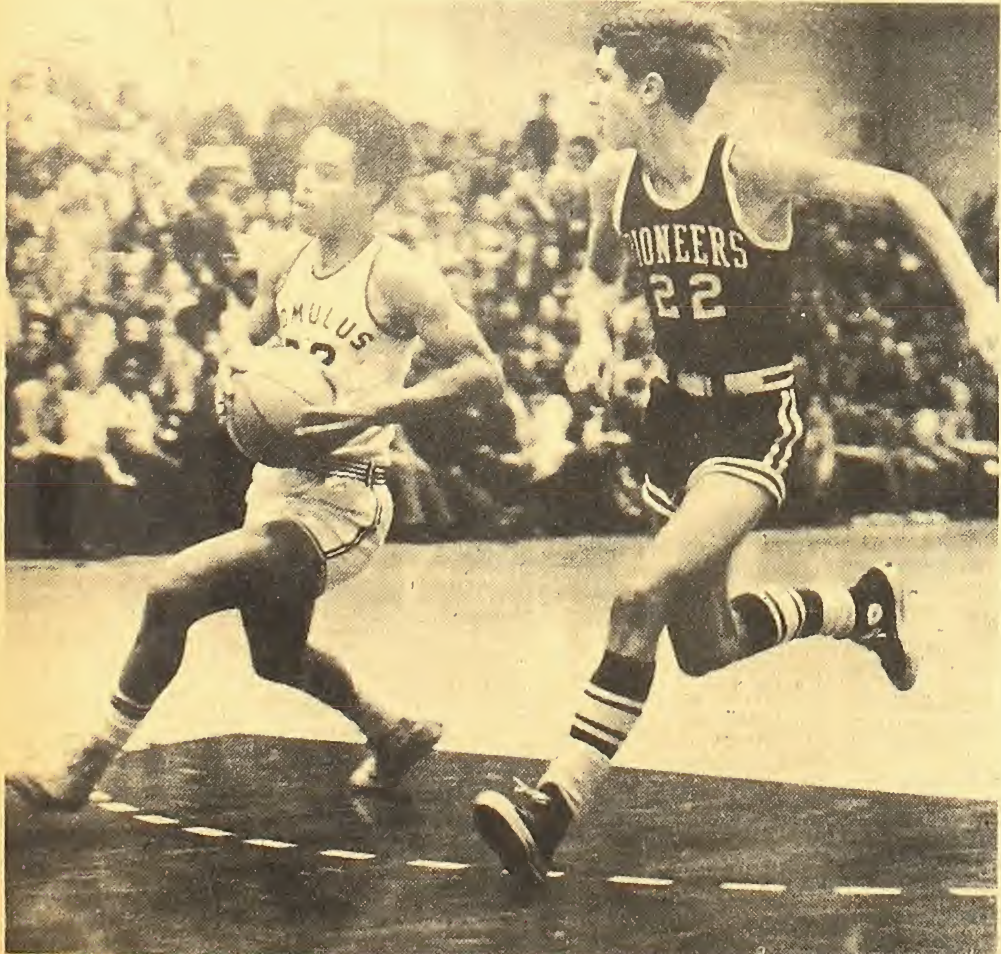

Box seats are \$4, reserved \$3, whether ordered by mail or purchased over the counter. General admission at \$2 and

bleacher seats at \$1 are not sold in advance.

Otto added that ticket orders will be filled on a strict, first come, first served basis, making it important for those organizing group outings to place their orders as early as possible to obtain the best location available.

For assistance with group orders, fans are invited to write or call Lew Matlin at Tiger Stadium. His sales promotion duties include group sales.

Plans for the sale of tickets for the 1971 All-Star game, to be played at Tiger Stadium on July 13, will be announced later.

STEP IN RIGHT DIRECTION - With Ann Arbor Pioneers' Mark Rouse (22) zeroing in on him, Romulus' Ron Buckley (with ball) rushed in for a layup for two of his six points against the finalists in Friday night's regional

high school basketball game. Buckley and the Eagles managed to give the Pioneers a scare before falling, 98-76. Nate Davis drilled in 32 points to lead all scorers in his final appearance as a Romulus High cager.

Romulus woman is honor student

Miss Paula Cucchiara, daughter of Mr. and Mrs. Joseph Cucchiara of 37130 Eureka Rd. Romulus, is an honor student at Eastern Michigan University in Ypsilanti.

Miss Cucchiara has received many awards and scholarships, including a Board of Regents scholarship in music and departmental awards in music. She has made the Dean's list with her high grade point average.

Miss Cucchiara, who is an instrumental music major at Eastern, plays in the EMU Symphonic Band, Symphony Orchestra, and many other ensembles. She will be touring with the EMU Symphonic Band in March.

Miss Cucchiara has been tested on several courses at Eastern, which enables her to take advanced level courses.

She is currently pledging the national band sorority for women Tau Beta Sigma. Miss Cucchiara was selected out of many to pledge this sorority.

MISS PAULA CUCCHIARA

Bonanni sisters accordion champs

The Bonanni sisters of Belleville were among the winners in the annual Michigan Accordion Association contest held at the Warren Woods High School, Warren, Mich.

The sisters, daughters of Mr. and Mrs. Fred Bonanni, 20415 Wilmot, Belleville, competed in the championship division. They are Sharon, 14; Diane, 13 and Linda, 10. The contest was held March 6-7.

The three accordionists are now preparing for the national accordion contest to be held at the Detroit Hilton Hotel July 6-10. They recently entertained as a trio at a dinner honoring the 61st birthday of the Boy Scout movement held at the Roma Hall, Livonia.

Sharon won a second place trophy in the 14-year-old division playing "Concerto in F Minor" by Chopin. Diane won a gold medal in the 13-year-old division playing "Violin Concerto in D Minor". And Linda won a second place trophy in the 10-year-old division playing "Perpetuum Mobile."

Diane and Linda attend St. Anthony's Catholic School and Sharon attends the South Junior High School, both in Belleville.

New citizens' group will be non-partisan

A new non-partisan association consisting of "interested and concerned" citizens residing in Huron Township has been formed, Russell Wilson, spokesman for the citizens group, announced Monday.

Approximately 40 persons who lived in the township held their first meeting last Thursday night and laid the initial groundwork in setting up the association, Wilson reported.

The new group with a tentative name of Huron Civic Association has scheduled a meeting for 7:30 p.m. March 18 at the Huron Sportsman Club, located at Sterling St. and Huron River Dr.

At this meeting a permanent name for the association will be selected as well as election of officers and adoption of By-Laws.

The public is invited and urged to attend the meeting and have a voice in the organizing this non-partisan organization, Wilson stated.

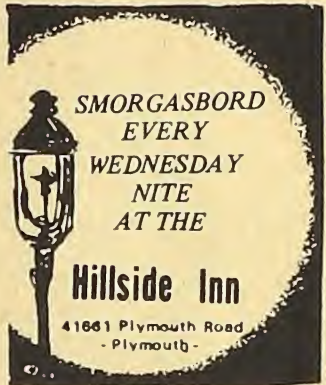

Dying elms to get ax

Dead and diseased elm trees are in line to be removed from picnic areas of the Wayne County park system this summer, following an action by the public works committee of the County Board of Commissioners.

Last week, the committee approved the transfer of \$3,200 of County funds into the Parks' division budget to finance the removal, trimming and replanting of diseased trees if action is later authorized by the full Board.

Most of the trees scheduled for removal are along Edward Hines Parkway, which is the County's largest single piece of park land, with 2,200 acres, and is where the largest number of picnickers are expected to congregate this summer.

Picnic areas are the chief concern because large numbers of people are potentially endangered, said Parks and Parkways Superintendent Carroll L. Porter. He explained that elms rot very quickly after becoming diseased, and could be uprooted by relatively mild winds. The trees to be removed range in diameter from two inches to 36 inches, he said.

Porter said the removals will probably begin in July, after warmer weather has hardened the ground, lessening the extent that work crews will damage the sod. While some of the work will be performed by forestry crews of the Road Commission, most of it will be contracted to private firms, he said.

Porter said that the entire Wayne County Park system consists of some 4,300 acres of recreation land.

CITY OF ROMULUS AMENDMENT TO ARTICLES OF INCORPORATION OF TOWNSHIP OF ROMULUS BUILDING AUTHORITY

These Amendments to the Articles of Incorporation of the Township of Romulus Building Authority are hereby adopted by the City of Romulus, Michigan, successor to the incorporating unit, the Township of Romulus, Michigan, under the provisions of Act 31 of the Public Acts of Michigan of 1948 (First Extra Session), as amended, for the purpose of reflecting the political succession of the City of Romulus to the Township of Romulus.

1. Article I of the Articles of Incorporation shall be amended to read as follows:

"ARTICLE I.
The name of this corporation is the City of Romulus Building Authority."

2. Article III is hereby amended to read as follows:

"ARTICLE III.
This Authority is incorporated for the purpose of acquiring, furnishing, equipping, owning, improving, enlarging, operating and/or maintaining a building or buildings, automobile parking lots or structures thereon and the necessary site or sites therefor for the use of the City of Romulus."

3. Article IV, Section 5. shall be amended to read as follows:

"Section 5. For the purpose of acquiring, improving and/or enlarging any such building or buildings, automobile parking lots or structures thereon and the necessary site or sites therefor, and for furnishing and equipping the same, the Authority may issue self-liquidating revenue bonds in accordance with and subject to the provisions of Act No. 94 of the Public Acts of 1933, as now or hereafter amended; provided, however, that such bonds shall be payable solely from the revenues of such property, which revenues shall be deemed to include payments made under any lease or other contract for the use of such property; and, provided further that no such bonds shall be issued unless the property whose revenues are pledged has been leased by the Authority for a period extending beyond the last maturity date of the bonds. For the purpose of Section 33 of said Act, the limits of the Authority shall be deemed to coincide with those of the City of Romulus. If a sufficient referendum petition shall be filed as provided in said Section requesting a referendum upon the question of issuance of revenue bonds by the Authority, then such question may be submitted by the Commission of the Authority at any general or special election to be held in the City."

4. Article IV, Section 1 shall be amended to read as follows:

"Section 1. The Authority shall be directed and governed by a Board of Commissioners of three (3) members known as the 'Commission', each to be appointed by the City Council of the City of Romulus. No member of the legislative body of the incorporating unit shall be eligible for membership or appointment to this Authority."

5. ARTICLE V, Section 8 shall be amended to read as follows:

"Section 8. The treasurer shall have custody of all the funds and securities of the Authority which may come into his hands or possession. When necessary or proper, he shall endorse in behalf of the Authority for collection, checks, notes, and other obligations. He shall deposit them to the credit of the Authority in a designated bank or depository. He shall sign all receipts and vouchers for payments made to the Authority. He shall jointly with such other officer as may be designated by the Commission sign all checks, bonds, promissory notes or other obligations of the Authority when so ordered by the Commission. He shall render a statement of his cash accounts when required by the Commission. He shall enter regularly in the books of the Authority to be kept by him for this purpose full and accurate accounts of all moneys received and paid by him on account of the Authority, and shall at all reasonable times exhibit his books and accounts to the City Council, Commission or any member of the Council or Commission when so required. He shall perform all acts incidental to the position of treasurer fixed by the

bylaws and as assigned to him from time to time by the Commission. He shall be bonded for the faithful discharge of his duties as treasurer, the premium to be paid by the Authority."

6. Article V, Section 9 shall be amended to read as follows:

"Section 9. Annual Compensation, if any, for the members of the Commission shall be fixed by the Commission subject to the approval of the City Council of the City of Romulus."

7. Article V, Section 13 shall be amended to read as follows:

"Section 13. The Commission shall have the authority to enter into contracts for the procurement of goods or services by the Authority subject to budget limitations; Provided, however, that any and all contracts for professional services shall be subject to the prior approval of the City Council."

8. ARTICLE VIII shall be amended to read as follows:

"ARTICLE VIII
REGISTERED OFFICE:
Section 1. Location of Registered Office and post office address of this Authority is:

City Clerk - City Hall
City of Romulus, Michigan"

9. Except as hereinabove mentioned, the Articles of Incorporation of said Authority shall continue in full force and effect.

10. The County Clerk for the County of Wayne shall cause a copy of these Amendments to be published once in the Romulus Roman, Romulus, Michigan (successor to the Enterprise Roman), being a newspaper of general circulation within the County of Wayne and City of Romulus. These amendments shall become effective and in full force and effect on their adoption and filing in the office of the Secretary of State of Michigan as provided in Act 31 of the Public Acts of Michigan of 1948 (First Extra Session), as amended.

IN WITNESS WHEREOF, the City of Romulus has adopted and authorized to be executed these amendments to the Articles of Incorporation on behalf of the City of Romulus, a public corporation of the State of Michigan, by its Mayor and Clerk.

CITY OF ROMULUS, a public corp.
By: Hyle J. Carmichael
Its Mayor
Leonard J. Folmar
Its Clerk

The attached Articles of Incorporation were adopted by the City Council for the City of Romulus, County of Wayne, Michigan, at a meeting duly held on the 26 day of January A.D., 1971.

Leonard J. Folmar
City Clerk

DATED: 1-29, 1971

STATE OF MICHIGAN)

REMODELING SALE

STARTS TONIGHT! DON'T MISS OUT!

The all new Popular Furniture-Carpet Co. has drawn up plans to expand their facility at 25 E. Michigan Ave. to 25,000 sq. ft. Due to the recent high winds and rains we have come to the conclusion that outside warehousing is not the answer. The builders and carpenters are starting next week to remodel our present warehouse and much of the merchandise presently stored in factory cartons will be piled up on our main display floor. This is not the best way to show this beautiful furniture, but it must be done. This is a great opportunity to buy nationally advertised famous brand name merchandise in factory fresh cartons at tremendous savings. Bring your trucks and trailers to Popular and we guarantee you'll save 20%-30% even 40% off sale prices of comparable items. **MANY ITEMS WILL BE SOLD BELOW COST!**

All Around The Town

...with Lee

Restaurant party for 14th birthday

MARY FARRUGIA'S 14th birthday will always be that "special" year she'll remember as she grows older since the surprise party planned in her honor turned out to be just that -- a complete surprise!

Planned by her parents, the Benny Farrugias of Romulus, the party was held at Little Caesars Pizzeria in Westland where the sing-a-long included a chorus of "Happy Birthday, Mary" from the entire crowd.

In on the fun evening, complete with birthday cake, were Mary's classmates, Lori Block, Patsy Miller, Kathy Cassman, Janet Militz, Terry Renke, Raye Lombardi, and Jill Williams, all of Romulus; Dolores Keller of Belleville; her two sisters, Vickie and Susan; and her married sister and brother-in-law, Regina and Manny Fife or Taylor.

Sierota family guests of station WHFI

A REGULAR LISTENER of station WHFI Birmingham, Jan Sierota was tuned into a "Family Contest" explanation a few weeks ago conducted by D.J. Mark Avery. It all centered on an alleged ice rink caper in which Avery was to crash through the ice sometime during the day and the first to call in on hearing the sound was to win a prize, -- in this case, family tickets for the Ice Capades playing in Detroit.

Jan was enroute to a hair appointment when she heard the crash, made a sudden stop at a convenient phone booth, called the station, and, viola!, was the lucky winner of the day.

So it was that Wednesday, March 10 -- Jan's birthday, by the way -- that Jan, Ron and their three girls, Valerie, Karen and Terri were seated front and center at the Olympia. Their companions for the show were Mark Avery and his associate Joe Ryan.

Freddie Trenkler, who's been around for (how many years?) was the highlight of the show for the Sierota trio who really "ate up" his routine. Jan says it also took her back a few years to her first ice show when Freddie was even then performing his antics.

Banquet room reserved for mother's birthday

A DINNER-DANCE honoring Mrs. Earl Smith of Expressway Drive was held March 6 at Leright's Banquet Room in Westland with Mrs. Smith's daughters and sons-in-law, Bob and Jean Hayward of Savage Road and Howard and Phyllis Smith of Wayne hosting the birthday party.

Some 80 guests from Belleville, Wayne, Ann Arbor, Detroit, Ypsilanti, Pinckney, Dearborn, and Canton Township had the pleasure of congratulating Mrs. Smith.

Bob Hayward, Mrs. Smith's oldest grandson, missed out on the celebration since he's serving with the U.S. Air Force in Vietnam. However his sister, Connie Morris, her husband, Don, and their children, four-year old Eric and two-year old Kristin, were able to attend.

Also present were the honoree's youngest grandsons, Mark, Scott and Todd Stein.

Prior to dining, an hour was reserved for reminiscing and looking over pictures of Mrs. Smith's early life and that of her family.

Birthdays observed all around the town

A NUMBER OF birthday celebrations took place recently in the area with Albert Mida's 73rd included. A party March 6 marked the important date at the Mida's Ecorse Road home with all of Albert's daughters and their families present as well as one son, Herbert, and his family, 13 grandchildren, and three great-grandchildren.

Unable to attend were Roland Mida and family who got in a long distance "happy birthday" message from De Rio Texas; Fred Mida who was snowed in at Cadillac; and Al Mida who was on the road with his truck.

BIRTHDAYS IN triplicate were celebrated Saturday evening with dinner and dancing at "The Apartment" in Ann Arbor. Dennis Moriarty, whose date is March 5, was there with his wife, Diane; and Jan Sierota and Mary Anne Hudge, who have back-to-back birthdays on the 10th and 11th, dined with their husbands, Ron and Ed. Also in their party were friends, Lieb and Gwen Liebler of Ormond Drive, who joined the group for cocktails at the Hudge's Ann Arbor home prior to filling reservations.

AND OUT at the Roger Allyn home on Belleville Road, there was a small party honoring Aileen's birthday. Planned by her husband, the evening centered on a fondue menu (cheese, beef, chocolate) planned by good friends, John and Carolyn Olmstead, former neighbors from Livonia.

Also invited were Todd and Helen Shook of Livonia and Pat and Gaye Vander Lynn of Plymouth.

Woman's Page Deadline Thursday--2 P.M.

How To Send In Wedding Or Engagement News

For newly-engaged couples and for prospective brides we have printed forms to fill out to announce your betrothal and to enable us to write your wedding story completely and correctly.

If you have any doubt as to what information we require to do a story, these forms list all the pertinent questions.

To obtain either an engagement or bridal questionnaire, simply stop by our office, 330 Main street, Belleville, or request one via telephone, OX 7-9191. We'll be happy to mail either form.

We ask that you also bring or send in pictures to accompany either story.

There is no charge for this service.

IDEAL MAIN DISH — Savory baked tuna loaf -- a family favorite across the nation -- is incredibly easy and quick to prepare. For

such appealing flavor and such satisfying protein nourishment, it's still remarkably low in cost.

For your recipe file

Savory 'Tuna Loaf' for Lenten dinners

If you're a homemaker who is involved with a paid or "volunteer" job, your days are generally short several hours. And if you're on the lookout for stick-to-the-ribs dishes that you can put together 1-2-3, then you know that ready-to-use canned tuna is perfect for quick meals, either by itself or in combination with other low cost, convenience foods. It's perfect, too, because it's so well liked by youngsters and adults -- and so digestible!

Here is a dish that takes very little time to prepare and is one of the most popular of tuna specialties. It's Savory Tuna Loaf, a main dish passed along from friend to friend and from one family member to another, like those treasured heirloom recipes you can't find in recipe books.

Savory Tuna Loaf

- 2 Eggs
- 1/2 cup milk
- 2 cups soft bread crumbs
- 1 cup frozen minced onion
- 1 tablespoon dehydrated parsley flakes
- 1/2 teaspoon thyme
- 1/2 teaspoon salt
- 1/2 teaspoon pepper
- 3 cans (6 1/2 or 7 ounces each) tuna in vegetable oil

Combine eggs, milk, bread crumbs and seasonings in mixing bowl; blend together. Add tuna; mix thoroughly. Turn into foil-lined loaf pan 8 1/2 x 4 1/2 x 2 3/4 inches. Bake in a 375 degrees F. oven 1 hour. Turn loaf onto platter; remove foil. (Turn right side up onto another platter.) Garnish with lemon slices and, if desired, top slices with round of pimiento. Serve with Parsley Sauce and cooked vegetables or salad.

YIELD: 6 servings.
EASY WAY: Substitute 2 cups of seasoned stuffing mix for bread crumbs and seasonings. Soften stuffing with 3/4 to 1 cup milk. Allow eggs, milk and stuffing mix to stand for 5 minutes. Mix in tuna. Press into pan. Bake as above.

Parsley Sauce

- 1 can condensed cream of celery soup
 - 1/2 cup milk
 - 2 tablespoons chopped parsley
- Combine undiluted soup and milk; stir over low heat until hot. Add parsley.

Call him Alan Gerald

It was a boy March 5 for Mr. and Mrs. Gerald Thomas Nault of 20 Locust Drive, Belleville. The eight pound heir arrived at Annapolis Hospital, Wayne, and was labeled Alan Gerald.

Romulus residents, Mr. and Mrs. Gerald A. Nault and Mr. and Mrs. Frank Loeman, are the baby's grandparents.

Make way for new

Spring's a good time for a cupboard cleanout and reorganization. Give front space to those cans and packages that have been there longest. Use up the old to make way for fresh supplies. A pound or two of ground beef, browned, will make a dinner in combination with many canned and packaged foods.

Says MSU Prof

Nursery schools not babysitters

"People should stop thinking of the day care center and the nursery school as glorified babysitters for the pre-school child," says the author of a new textbook on early childhood education.

"Both places are schools and can provide sound learning experiences for the three-to six-year-old child," explains Dr. Verna Hildebrand, assistant professor of family and child sciences at Michigan State University.

Her text, "Introduction to Early Childhood Education," and its accompanying workbook for student teachers, have been published by the Macmillan Co., New York.

Teachers, psychologists, social workers, parents, classroom aides and Sunday school teachers will find the book helpful and relevant. It is an introduction to professional preparation for nursery school and kindergarten teaching. The author is also a laboratory teacher at MSU's nursery school and has served as a laboratory teacher in the kindergarten at Texas Tech University and in the nursery schools at both Oklahoma and

Kansas state universities.

Part one of the book gives an overall view of goals, children, schools, techniques and curriculum.

Part two examines the curriculum in detail, discusses goals and procedures, and makes suggestions for learning experiences. Each chapter covers a single area—such as learning activities in the outdoors—making the text an easy reference when help is desired.

Part three discusses the teacher's professional relationship with parents, providing suggestions for and views of the past, present and future of early childhood education.

Many children from the university laboratory schools, with which Dr. Hildebrand has been associated are pictured in the photographs that accompany the text.

Planning is stressed throughout; however, the final chapter in part two discusses program planning and evaluation in detail, relating the whole school program to goals for the child's development.

Practical and specific suggestions—such as learning activities, lessons, directions for making playdough and finger paint—are included.

According to Dr. Hildebrand, university students and Head Start teachers provided the major impetus for writing this book. Materials and ideas were tested in laboratory school situations and evaluated by teachers and students.

Dr. Hildebrand also visited day care locations and nursery schools in Russia to gain ideas for her book.

It integrates information regarding a child's growth and development into meaningful school programs.

MISS HERMATZ

Wedding planned for August

Sharon M. Hermatz of Westland and Thomas H. Bader of New Boston are engaged and planning an August 6 wedding.

Sharon, the daughter of Mrs. Nicholas Hermatz of 35333 Wallace, Westland, and the late Nicholas Hermatz, graduated from St. Mary's High School, Wayne, in 1970. She is currently employed at the Wayne Lawn and Garden Center, Westland.

Her fiance, son of Mr. and Mrs. Harold Bader of 17324 Hannan Road, New Boston, is a 1966 graduate of Lutheran West High School currently employed by L. E. Meyers Electrical Contracting.

Seasoning short cut

Let an aroma promising zesty dining greet the homecoming family on a brisk spring day. Use a tablespoon or two of the seasoning mix from an envelope of onion soup mix or taco, enchillada or chili seasoning to step up the flavor of pot-roasts, stews and meat loaves.

Daughter's betrothal announced

Mr. and Mrs. Gordon Runyon of 50197 expressway, Belleville are announcing the engagement of their daughter, Mary Margaret, to Wendell Patrick Alford.

Miss Runyon is a student at Belleville High School where her fiance graduated in 1970.

The son of Mr. and Mrs. Pat Alford of 13900 Haggerty Road, Belleville, the prospective bridegroom is employed at Fisher Body, Willow Run.

No definite date has been set for the wedding.

Already 15,398 tax returns have been filed without necessary signatures. These have to be sent back to taxpayers before they can be processed.

WOMEN Of The MOOSE

By SANDRA J. WILLIS
Publicity Chairman

Elsie Parry won a door prize at the Mid-Winter Conference in Ann Arbor recently. Eight Belleville co-workers, Helen Jacobs, Elsie Parry, Louise Steger, Jeanette Domen, Sandra Willis, Shirley Groves, Martha Morton, and Mildred Tyrell, were in attendance. At the Mid-Winter Conference in Melvindale March 7, co-workers Peggy Reese and Marion Townsend represented Belleville Chapter. The following candidates were enrolled as Home Chapter members: Barbara Fry Ann Wilkerson and Margaret Burnett.

Belleville Moosehaven Chapter Night was March 8 with two new members, Linda Harris and Frances Mizell, enrolled. There was no winner for the dark horse drawing.

The following co-workers are hospitalized: Mary Wisniewski at Wayne County General; June Saunders at Mercywood, Ann Arbor; and Myrtle Carver at University, Ann Arbor. No visitors are allowed for Myrtle.

Mae Fielder is hostess

The March meeting of the Past Matron's Association of Belleville Chapter No. 73, O.E.S., was held at the South St. home of Past Matron Mae Fielder on Thursday, March 4.

Twenty-one members were present for the chop suey luncheon, among them were three who had been absent for several meetings, Fannie Cox, Ada Sager, and Florence Sugars.

The chaplain, Bedia Woods, had devotions after which a short business meeting was conducted by the president, Joyce Maki. All signed a card to be sent to the Worthy Matron, Eva Luper, who has been in Beyer Hospital recovering from pneumonia.

Past Matrons Pauline Quinley and Fannie Cox were initiated into the Association.

The remainder of the afternoon was spent playing games with awards being won by Fannie Cox, Ruby Clayton, Rachel Hamilton, and Cora Bradshaw.

Past Matron Effie Kerbyson will be hostess for the April 1 meeting which will be held at the I.O.O.F. Temple.

ON PARADE — A fashion show featuring items for the teen set's wardrobe from Kureth's was part of the fun at the March 5 card party sponsored by the Southwestern Skating and Hockey Association. Held at North Junior High School, the event was attended by some 125 persons. Taking part in the show (left to right) were Linda Skszek,

Mike Lehman, Roseann Mills, Mike Byrom, Lori Fay, Larry Fix, Wendy Smith, and Craig Whitehouse. Also acting as models were Diane Hovey, Sue Pardon, Robin Lorentson, Vicky Johnson and Linda Cheek. Mrs. Marge Lorentson, president of the S.S.H.A., was commentator for the show.

THE WINNER — Carl Shoup, 1039 E. Huron River Dr., Belleville, (left) is now the proud owner of a television set. Having had his ticket drawn during the March 5 card party sponsored by the Southwestern Skating and Hockey Association, he was presented the prize by Larry Fix, a senior at Belleville High, and captain of the Belleville hockey team. Patrons of the show were Foodville,

Roberts Bros., Moss Brothers, Dancer's, Kureth's, Boxes, Sun and Snow, Belvil Beauty Shop, Manning's, Hamilton's, Kirk's Drugs, and Hayward's. Still others were Standard Oil (Don Raymond), Henry R. Deering Agency, Don Smith, Royce Smith, Elmer Paraghi, Home Gallery, Gamble's, Ben Franklin, Demetri's Beauty Shop, and Marcus Flowers.

Belleville Brevities

Spanish-American War Vet, former Bellevillite, is dead

By MRS. JOSEPH SPRING
OX 9-4021

Mrs. Orrin Post of Liberty St. received word of the death of an uncle, John T. Edwards, a one time Belleville resident, on Sunday, March 7, at the Veterans' Hospital in Allen Park.

Mr. Edwards, who was 96 years of age, was one of the last living Spanish-American War Veterans, having been on the battle ship, Oregon, during the battle of Santiago Bay, Cuba.

His father was the Rev. Timothy Edwards, a one-time pastor of the Belleville Methodist Church, and his mother, Lydia Martin Edwards, was the great-grand daughter of former President John Quincy Adams.

At the end of his enlistment he returned to Belleville where he married Josephine Stevens. They were the first telephone switch board operators in Belleville. He was instrumental in organizing the first telephone lines in this farming community with 214 subscribers.

After leaving Belleville he was in charge of the power plant at the Ford Experimental Laboratory in Dearborn for 32 years.

Mr. and Mrs. Vinton McAtee of W. Columbia Ave. recently returned home after a 10-day trip to Florida where they spent some time with Mrs. McAtee's mother, Mrs. Myrrh Hartman, at Brooksville, and also visited former Harmony Lane residents, Mr. and Mrs.

Clinton Whitney, now living at Clearwater.

Mrs. Charles (Lena) Frigard of Charles St. has been a patient at St. Joseph Hospital, Ann Arbor, for the past several days.

Mr. and Mrs. Leif Meland of 8701 Belleville Rd. are announcing the birth of a baby girl at St. Joseph Hospital, Ann Arbor, on Sunday, March 7, weight 7 lbs.-10 oz.

The baby, whose mother is the former Pam Gardner, has been named Melissa Ann. Her little 3½ year old brother, Erik, stayed with his grandparents, Mr. and Mrs. Cade Gardner, of Charles St. while his mother was in the hospital.

Last Monday evening callers at the Kenneth Mericles of Denton Rd. were friends from Detroit, Mr. and Mrs. Edwin Mielke, and eight-months old baby, Dawn.

Other residents recently returning from Florida were Mr. and Mrs. Lloyd Riggs and Miss Florence Renton of Savage Rd. who had spent the past five weeks at Largo. Besides visiting with several Belleville families wintering in the area, they called on former residents, Mr. and Mrs. Len Busha, at Clearwater, they enjoyed a trip to the Everglades and the Keys.

Recent callers at the Liberty St. home of Mr. and Mrs. Frank Hoag were a niece, Mrs. Charles Piro, and two sons, Scott and Charles, from Trenton.

Dinner guests on Sunday of last week at the home of Mr. and Mrs. Lewis Lester of E. Huron River Dr. were friends from Plymouth, Mr. and Mrs. Felix Dapkus, daughter, Kathy, and friend, Mike Jones.

Mrs. Nina Todd received word from a friend and former Belleville resident, Mrs. Edythe Morrison Jones now living in Los Angeles concerning the recent earthquake area. They suffered little damage, other than dishes and glasses broken, floor lamps upset and all her violets thrown on the floor upside down and broken.

Little Laura Jeanette, daughter of Mr. and Mrs. Larry Orr of Wayne, was baptized on Sunday, March 7, by Rev. Charles Dibley, at the First United Methodist Church, with Robert and Jeanette Brown God-Parents.

Following the service the paternal grandparents, Mr. and Mrs. Lloyd Orr of

Harmony Lane, entertained at dinner. Also present were an uncle and aunt of baby Laura, Mr. and Mrs. Douglas Hedding, from Brighton.

Attending a surprise 75th birthday celebration on Saturday evening, March 6, for Mrs. William Hoeft of Saline, were the Robert and Richard Hoeft families of Wabash St., Mr. and Mrs. George Haft of Church St. and Mr. and Mrs. Kenneth Hyde of E. Columbia Ave.

Present were eight sons; besides the above mentioned Robert and Richard, were the Leslie Hoeft family from Plymouth, David and family from Manchester, Daniel and family from Saline, and James and Louis at home. A buffet supper was enjoyed by all.

Mrs. Frank Hoag of Liberty St. was an overnight guest on Tuesday of last week of the

Donald Hoag family of Jackson. The occasion was in celebration of her grandson, David's 18th birthday.

Last week Sunday Mr. and Mrs. Lynn Saunders of St. Clair Shores were dinner guests of the former's parents, the Clayton Saunders' of Liberty St. In the afternoon they made a phone call to Charlevoix to wish Clayton's mother, Mrs. Lillian Moore, a happy 87th birthday.

Mr. and Mrs. Kenneth Mericle of Denton Rd. were last Tuesday evening dinner guests of the latter's parents, Mr. and Mrs. Miles Berkey, of Toledo. They also called on a brother and wife, Mr. and Mrs. Jackson Berkey, at Curtice, and friends, Mr. and Mrs. Don Mulinix, also of Curtice.

Belleville Rainbow girls enjoyed a roller skating party last Friday evening at Woodland Rink in Ypsilanti.

A lovelier you

'Knitty-gritty' of style scene

Knit fashions continue to grow — and grow. The newsiest are fine gauge single knits, cotton knits with silky surfaces, knit denims and polyesters with jacquard and tapestry patterns knitted in. Colors come clear, with black the important exception.

Designing is soft, sometimes even slinky. In the separates group, shrinks have really shrunk. Other tops come close, only

sleeves, balloon out. Skirts widen to dirndl and ruffy proportions. Below-knee to above-ankle lengths get the nod. Pants, knickers and short-shorts are right in there.

In the dress department, possibly the first target of spring shoppers, a totally fresh look prevails. Knit dresses have gained distinction and individuality. Just by way of example, there are smashing giant plaid coat dresses, long "tunics" rippling with pleats, rows of fringe circling a late-day dress. All body-touching.

Therein is the key to wearing... the undertouches. Bras, pantie girdles, the new again all-in-one, slips and petticoats must shape languidly to the figure without show of seam or wrinkle.

It is possible that many a Lovely will have to rethink her lingerie. Her figure, too.

STRICTLY PERSONAL

Everything you need to know about deodorants, anti-perspirants and depilatories is contained in my leaflet, STRICTLY PERSONAL. All doubts are cleared up about why, what, when and how to use these safeguards of femininity. For your copy, write to me in care of this newspaper, enclosing a self-addressed, stamped envelope and 15 cents in coin.

IT'S A DATE

• Clubs • Meetings • Activities

Belleville woman in cooking finals

Mrs. Marjorie Easto of 250 Liberty, Belleville, has been selected as one of 10 finalists in Detroit Edison's annual search for a "Queen of the Kitchen."

The competition is open to women who are employed fulltime outside of their homes and live within the boundaries of Edison's southeastern Michigan service area.

Mrs. Easto, a teacher-counselor for the blind, submitted a rice potpourri dish as her entry.

Four finalists in previous contests are included among the other nine women still in competition.

They include Mrs. Ruth Kluth of Livonia, a second place finisher last year who entered tropical sausage stacks; Mrs. Claudia Green of Detroit, a third prize winner in 1962 who submitted baked

fiesta hash; Mrs. Ida Grenier of Livonia, a finalist in 1965 and 1966 who entered pork chop loaf, and Mrs. Lila Wagman of Detroit, a 1967 finalist who submitted elegant meatloaf souffle.

The other finalists are Mrs. Patricia Bishop of Farmington, creamed chicken casserole; Mrs. Danice Chisholm of Detroit, Chinese chicken casserole; Mrs. Rita Flyk of Taylor, Neptune's nutty secret; Mrs. Linda Hiltz of Plymouth, lazy lasagna casserole, and Mrs. Madeleine Jakad of Plymouth, working wives seafood casserole.

Fashion show to be held March 27

On Saturday, March 27, Town and Country Chapter of The National Secretaries Association will present "Jump Into Spring" with fashions by Zueback's. The fashion show will be preceded by a 12:30 luncheon at Kingsley Inn, 1475 Woodward, Bloomfield Hills.

Donation is \$6 per person. Tickets can be purchased from Mesdames Mary Mae Eaton-728-2894 or 721-4757, or by mailing your check to: Mrs. Carol Bowen 150 Bird, Apt. No. 29, Birmingham, Michigan 48009. Please make all checks payable to Town and Country Chapter of NSA. Reservations must be in no later than Friday, March 19.

VAN BUREN TOWNSHIP HAS NEW BANK BRANCH — The Wyandotte Savings Bank has opened temporary banking facilities at 10680 Haggerty Rd. The trailer bank branch will soon be replaced with permanent structure. Van Buren Township officials and banking officials stand behind an architect's rendering. They are (from left) James Wolfinger,

William T. Orr, president; Herbert C. Schafer, vice president; Mrs. Erma Jean Payne, township clerk; Fred P. Birk, township treasurer; G. Elton Gollwitzer, township supervisor; Philip Zasady, executive vice president; and Daniel Heslip, branch manager.

Kozma heirs drop libel suit against Sumpter association

Mrs. Emmalee Marble, 46685 Kozma Rd., Sumpter, daughter of the late Mike Kozma, and administratrix of his estate, has requested that the lawsuit filed by her father against United Homeowners Association of Sumpter, Elmer Parraghi, Cecil Hall, Clarence Hoffman, Jr., and Joseph Rafalski, be dismissed.

Mr. Kozma, former supervisor of Sumpter Township, claimed damages for libel and slander against the above defendants.

Mrs. Marble stated that she and the other heirs of Mr. Kozma believe that no purpose will have been served now that Mr. Kozma is deceased, even though they

contend that his good name had been unjustly besmirched. The lawsuit was filed August 27, 1969, claiming \$100,000 against the defendants for falsely alleging that Mr. Kozma had participated in attempts to purchase land in the Township of Sumpter for the purpose of starting a garbage dump.

Mrs. Marble further stated that, "People who really knew Dad know that he had always loved Sumpter Township, and that his years of devotion to it are more than sufficient proof of the falsity of the allegations against him."

The court suit was based on "slandorous statements" concerning Kozma at a public hearing held at 17400 Savage Rd., on June 20, 1969 and in the

presence of approximately 200 persons who were residents of the township and "repeated upon diverse occasions hereafter."

The public meeting was sponsored by the United Homeowners Association of Sumpter. Elmer Parraghi, currently

Sumpter Township's supervisor; Clarence J. Hoffman Jr., former township trustee and township clerk; and Cecil Hall, Sumpter businessman, were active promoters of the association, the suit charged. Joseph Rafalski is a Sumpter Township resident and association member.

City of Romulus Comprehensive Building and Plumbing Code

FEE SCHEDULE

NEW PLUMBING PERMIT FEES
Replacement of fixtures by homeowners does not require permit fee with the exception of replacement of hot water tanks.

FOOTBALL LETTER WINNERS — The football letter winners of the eighth grade at South Junior High School are (from left) Chuck Tkachuk, James Humphreys, Coach John Forsyth and Michael Hudge. They were among school athletes that were honored at the school's recent award presentation.

Four-part program begins at Huron High

The first of a four part Community-wide Drug Abuse Program opens at 7:30 p.m. tonight (Wednesday) at Huron High School, 31578 Huron River Dr., New Boston.

The four part program was designed by an advisory group composed of students, concerned adults and the Huron Township Jaycees, Community School Director Roger Benner announced.

"Our community is no different than any other. We have persons in our district that are abusing drugs. How many no one really knows, but it is estimated that at least 20 per cent of our youth have experimented with drugs in one way or another," Benner said.

"What are we going to do? Let us not do anything until we have acquainted ourselves with the knowledge on the subject of drugs," Benner added.

He stated that an opportunity to know the facts is presented in this four part series on drug abuse.

The first program is entitled "What are Drugs?" The

second program is called "Law and Drug Abuse." The third "Why Used and What are the effects of Drug Abuse" and the fourth program is "And What are the Solutions

For Us?" The first two programs are opened to adults and the third and fourth programs will involve discussions opened to adults and students.

City of Romulus Ordinance No. 70-20-1

AN ORDINANCE TO AMEND SECTION 4 OF THE FOOD AND RESTAURANT ESTABLISHMENT ORDINANCE NO. 70-20 TO REVISE THE SCHEDULE OF LICENSE FEES FOR BARS, RESTAURANTS, DRIVE-IN RESTAURANTS AND CATERERS.

WHEREAS:

The City of Romulus deems it in the best interest of the City and its citizens and to promote and influence the establishment of Restaurant establishments within the City to serve the citizens; and to provide for a more equitable distribution of license fees that the licensing fees for Restaurants, Drive-In Restaurants and Caterers be revised and amended.

THE CITY OF ROMULUS ORDAINS:

Section I
Short Title: Amended Food Establishment Ordinance. Establishment Ordinance.

Transient merchant	1000 bond	December 31st
Vehicle (industrial caterer)	20	December 31st

This Ordinance should become effective immediately after publication in any newspaper of general circulation.

I, LEONARD J. FOLMAR, Clerk of the City of Romulus, do hereby certify that the foregoing is a true copy of an Ordinance adopted by the City Council at a regular meeting held in the Waterboard Building on the 11 day of March, 1971.

ATTEST: Hyle J. Carmichael, Mayor
City of Romulus

Within forty five (45) days after the publication of any Ordinance duly passed by the Council, a petition may be presented to Council protesting against such Ordinance and shall be signed by not less than six percent (6 percent) of the registered electors registered at the last preceding election at which a Mayor of the City was elected. Said ordinance shall thereupon and thereby be suspended from operation and the Council shall immediately reconsider such ordinance.

Sewer extension slated

An extension westward of the Van Born Rd. sewer and water line to service Republic Die and Tool Co., located at 45094 Van Born Rd., has been authorized by Van Buren Township Board.

The Wayne County Road Commission will be asked to set aside approximately \$283,000 to cover the cost of the extensions. The \$385,000 is the

balance remaining from earlier township water and sewer bonds.

The water line would be extended 7,000 feet and the sewer line 6,900 feet west to connect with sewer facilities at Republic.

The area is zoned industrial and other firms could be serviced by the extensions in

future development of the area.

Township Supervisor G. Elton Gollwitzer told the township board that the firm is in trouble with the Wayne County Health Department because of pollution problems arising "from its lack of adequate sewage facilities."

The firm employs approximately 400 persons. Gollwitzer stated that the sewer extension is an important investment of available township water and sewer funds.

Man dies on tracks

David W. Dranberg, 25, a resident of a trailer court, located at 41275 Michigan Ave., was struck and killed while walking on the Penn Central railroad tracks, west of Haggerty Rd. near Michigan Ave., March 7.

Wayne County Sheriff's deputies reported that

Dranberg was walking on the tracks when a train approached him from behind.

Officers reported that the train's whistle and lights were in operation but the victim made no attempt to move.

Dranberg was married and the father of two children officers reported.

Boys' Clubs deserve help

Commenting on the tendency of politicians to glorify the common man, former President Herbert Hoover once said, "Let us remember that the great human advances have not brought about by mediocre men and women. They were brought about by distinctly uncommon people. . . . It is a curious fact that when you get sick you want an uncommon doctor; if your car breaks down you want an uncommon good mechanic. . . . I have never met a father and mother who did not want their children to grow up to be uncommon men and women. May it always be so. . . ."

These words are inscribed on a plaque which was presented by the Boys' Clubs of America to the Vice President of the United States, Spiro T. Agnew. The Boys' Clubs organization is scheduled to celebrate the National Boys' Club week March 28 to April 3.

The purpose of National Boys' Club week is to promote the cause of juvenile decency and to draw attention to the work of 880 local clubs to achieve this goal.

Hoover served the Boys' Clubs for 28 years as national board chairman. He believed there was no such thing as a common man, and he instilled this belief in thousands of youths during his years of inspiring leadership.

Today, there is nothing common about the Boys' Clubs of America. It has opened the door of opportunity and hope to millions of boys. It is an uncommon organization. It deserves the hearty support of all of us— not just for a week, but all through the year.

NOTICE ANNUAL TOWNSHIP MEETING

Notice is hereby given, that the next annual township meeting of the electors of the Township of Sumpter, County of Wayne, State of Michigan, will be held at

SUMPTER TOWNSHIP HALL

23483 SUMPTER ROAD

BEGINNING AT

2:00 P.M. EASTERN STANDARD TIME

SATURDAY, APRIL 3, 1971

Sec. 361. There shall be an annual meeting of the electors of each township on the Saturday preceding the first Monday in April of each year between 1:00 o'clock p.m. and 8:00 o'clock p.m. The time and place of such meeting shall be determined by the Township Board.

CLARENCE J. HOFFMAN JR.

SUMPTER TOWNSHIP CLERK

'Wrist-slapping' attitude toward crime must stop

Concluding that the Michigan judiciary must cease its "wrist-slapping" attitude toward violent crime, Lansing physician Robert C. June spoke to members of the Huron Valley Conservation Association at their recent meeting held at Regalle's Lounge, Haggerty Rd. at 1-94.

June is chairman of the political action committee of the Michigan Sportsman Alliance.

A life-long Michigan resident, Dr. June served years as City Physician of Lansing. Presently, Dr. June, father of 6, is associated with the Student Health Service at Michigan State.

In his address he cited state-wide examples in which capital crimes have been committed. Reactions to these crimes far too often, he said, have resulted in cries "ban the gun".

Dr. June did not agree with this conclusion. Developing his theme, he continued with an example in which a convicted felon, free on bail, carrying an unregistered pistol, shot and killed a police officer.

Another example was that of a woman, free on personal bond, charged with killing a policeman.

Dr. June stressed that there are sufficient laws on the books covering illegal ownership and use of weapons. They include Michigan's concealed weapons law, Michigan's handgun registration law and the federal law prohibiting ownership of firearms by a convicted felon.

Speaking for the Michigan Sportsman's Alliance he explained that all honest, intelligent sportsmen abhor the loss of life through misuse and violence with the gun. He added, all realize the anguish of families left behind, and the time has come to consider not just the rights of the accused, but to demand that the rights of the victim and the public at large be considered.

Dr. June's conclusions included the possibility that harsher confiscation through anti-gun laws will not deter the criminal. Rather he said the criminal will remember only the lax attitude of the courts and will be willing to take the risk in the hope that he will appear before a justice who doesn't consider the rights of the victim or the rights of the public - but only the rights of the accused.

As a further reminder, Dr. June stated that very little police work is prevention. With nearly all crimes the police become involved after the fact the large majority of police work is to pursue and apprehend. To increase the police force to the point it could protect all the citizenry, at all times, would impose an impossible tax burden.

Oregon, Washington, Idaho and California produce most of the world's prunes.

Gallagher steps down as building inspector

Joseph B. Gallagher, 67, chief building inspector for the City of Romulus since June, 1967 has resigned.

In his letter of resignation, submitted to Mayor Hyle J. Carmichael, Gallagher stated that it was time for him to retire.

The resignation is effective April 1.

Gallagher, who resides at 25180 Myler, Taylor, plans on taking things easy for awhile and doing some traveling. He has a home in Bradenton, Fla.

Prior to accepting the Romulus post, Gallagher was a state project engineer and chief building inspector for the City of Ypsilanti.

While head of the Romulus Building Department, Gallagher had a hand in many inspection programs of commercial and residential development.

Building permit fee collection during his tenureship of the city's building operations jumped from \$29,000 to \$115,000 yearly.

The Gallaghers are parents of five grown children, four girls and one son. All are married.

JOSEPH B. GALLAGHER

Cub Scouts plan a planting spree

A request from Cub Scout Pack 793 of St. Anthony's Catholic Church of Belleville and our Cub Scouts would like to participate in Project SOAR (Save Our American Resources).

"We have 10 boys in the pack and they would like to secure about 100 trees and plant them at one of the schools for this project. They would probably be of the Scotch or Norway Spruce variety and inspected stock."

The school board's approval followed the receipt of a communication from Mrs. Charlene McNally, den mother, at last week's session of the school board.

School principals and the school district's maintenance department have been requested by the school board to determine where they would like to have the trees planted.

Mrs. McNally in her communication stated: "I am a Den Mother for Cub

Three area students on honor list

Thirty-five students, including three from the Belleville area, have been placed on the Dean's List of Bob Jones University, Greenville, S.C. for the first semester.

The students with an earned "B" average are:

Michael P. Barrett, son of Mr. and Mrs. Charles P. Barrett, 7829 Beck Rd., a senior in the School of Religion; Miss Susanne M. Overby, daughter of Mr. and Mrs. Frank Overby, 4429 Tyler Rd., sophomore in the School of Education; and Miss Delores L. Perdue, 42015 Expressway, daughter of Mr. and Mrs. Carlos Perdue, 42015 Expressway. She is a senior in the College of Arts and Science.

Library bill paid

Payment of \$4,133, the city's share in the operation of the Fred C. Fisher Library, 167 Fourth St. has been approved by Belleville City Council.

The payment of the city's library obligation will be made to the Wayne County Public Library Board.

Spelling winners told at Sumpter

John Honey, 11, son of Mr. and Mrs. John Honey, Sr., of 44000 Clay Rd. is the spelling bee champ of the Sumpter Elementary School.

John, a sixth grader, is now preparing for the regional spelling bee to be held at the Riverside Elementary School, New Boston, on March 31.

The spelling bee runner-ups were:

Carolyn Mitchell, 10, fifth grader, daughter of Mr. and Mrs. Joseph Mitchell, 21714

Sumpter Rd. is the second place winner.

Carolyn Thompson, 11, sixth grader, daughter of Mr. and Mrs. Wallace Thompson, 22194 Martinsville Rd. is the third place winner.

Terry Templeman, 10, fifth grader, daughter of Mr. and Mrs. Harold Templeman, 46052 Bonekoe Rd. is the fourth place winner.

Andy Sandy Varney, 11, sixth grader, daughter of Mr. and Mrs. Donald Varney is the fifth placewinner. The Varneys reside at 21762 Fenster Rd.

Minister speaks on drug program

Rev. Roy Syme, Pastor of the Epworth United Methodist Church, River Rouge, was the featured speaker at the March meeting of the Mt. Pleasant Elementary School PTA. He spoke on "Parents Role in Drug Abuse Prevention."

Rev. Syme briefly discussed some of the misuse of prescription drugs and non-prescription drugs taking place in the greater Detroit area today.

The group of parents felt it was a very informative program and many had expressed a desire to invite him at a later date.

Pastor Syme is a member of the Speakers Bureau of NARCO and came to the meeting to speak through the cooperation of PTA President Richard Campbell and School Principal Harold Connon.

Youth Baseball candy sale slated

The annual candy sale sponsored by the Romulus Youth Baseball Association will be held from April 22 through May 6.

Mrs. Lottie Bushman, candy sale chairman, announced that the following Romulus residents will serve as candy sale workers:

JoAnn Hunter, 13651 Kent, phone 941-3999; Linda Williams, 30708 Beverly Rd., phone 728-2689; Virginia Britz, 11442 Olive St., phone 941-3739; Janice Walton, 15920 Huron River Dr., phone 941-0769; Anna Fischer, 30609 Dru, phone 941-4697; Gladys Finch, 9266 Tobine, phone 941-4675; and Constance Morrison, 35354 Vincewood, phone 721-7083.

Parents will be required to sign for the candy when it is picked up by the young members of the family.

Prizes will be offered for first, second and third place winners who sell the most candy during the sale's two-week period.

The prizes will be \$50, \$30 and \$20 respectively.

Candy sellers will also have a chance to vie for an opportunity to see the Tigers play in Tiger Stadium this summer.

Class of '61 fete set for May 22

A gala evening of fun is being planned for the Romulus High School Class of 1961's 10-year Class Reunion scheduled for May 22.

The big event will be held at Roma Hall, 27777 Schoolcraft (between Inkster and Middlebelt Rds.), Livonia from 7 p.m. to 2 a.m.

The reunion committee has already received over 150 requests for tickets which will be mailed out by May 1. If for some reason a class member was not contacted, please call Mrs. Sandra Kenyon Clark (728-0942), and tell her of your desire to attend.

Tickets are \$15. per couple (\$7.50 single) and will include a buffet dinner which will be served promptly at 8 p.m.

A band will provide music for dancing, beginning at 9 p.m. and continuing to 1 a.m. There will also be some lovely door prizes given away and the committee has planned favors and a remembrance book.

Attire for the occasion should be dressy but not formal.

Permit issued

Edleonard and Anna Mae Carmichael, received permission from the Michigan Liquor Control Commission to serve liquor after 2 p.m. Sunday at their establishment located at 24437 Sumpter Rd., Belleville.

A ROSE OF APPRECIATION - Four Haggerty Elementary School Brownies and Girl Scouts present a Girl Scout calendar, a box of cookies and a yellow rose of appreciation to Belleville City Clerk Irwin W. Stech after the signing of a city proclamation for Girl Scout Week, commemorated last week. The girls (from left) include Robin Ozak, Cindy Wilkerson, Jill Mlsna and Sandy Long. Robin and Jill are members of Brownie Troop 186, while Cindy and Sandy are members of Junior Girl Scout Troop 668. Stech was filling in for Mayor Royce E. Smith, who was kept away because of a grass fire near his business.

-Belleville Enterprise photo

Rep. Pilch's bill would allow PCHA members to withdraw

LANSING — Rep. Alex Pilch (D-32nd District) has renewed his campaign to allow members of the Peoples Community Hospital Authority (PCHA) to withdraw from the association.

Pilch, whose district includes parts of Inkster, Dearborn Heights and Dearborn, said the request for the bill came from Dearborn Heights, but it would apply to all 23 member communities.

The PCHA operates four hospitals in southeastern Michigan--Annapolis in Wayne, Beyer in Ypsilanti, Outer Drive in Ecorse and

Seaway in Trenton. Residents of members communities are taxed .4 mill to help finance the authority's program.

"I am in high hopes that we will be able to pass this permissive legislation and get it signed into law this year for a possible vote in the city elections this fall," Pilch said.

"For all practical purposes, it is next to impossible for a member community to withdraw from the PCHA for any reason. My bill would allow a member community to vote on whether to withdraw," he added.

Pilch said the withdrawal

from the PCHA would be effective only after a member community paid off its share of any current bonded obligations.

He speculated that not more than one or two communities would move to withdraw if his bill became law and the authority and its group of hospitals would not be jeopardized.

Pilch said his legislative record shows him in favor of establishing authorities so that communities could work out solutions to common problems and said the PCHA has served "a valuable and useful service."

Kiwanis Club holds 'Ladies Night' program

Romulus Kiwanians held an outstanding Ladies Night program Thursday, March 11, at the Holiday Inn near Metro Airport. Some fifty Romulus area Kiwanis and their guests were in attendance.

Featured on the after-dinner program were two outstanding color films presented through the courtesy of the Bell Telephone Company.

One which depicted outstanding events which occurred during the past century in our lives, drew many chuckles from the "middle-aged" members of the audience as they relived scenes which had occurred during their own lifetime.

The other film predicted some exciting things for the future, namely the Laser light, and the important role it will play in the years to come. Roderick Smith and Hazen Hay were program chairmen.

Romulus Kiwanis members will honor President Thomas Janack, on Sunday, March 21, when they will attend the church of his choice.

Janack has invited fellow club members to attend 8:30 a.m. services at St. Paul's Lutheran Church in New Boston.

It will express to his fellow church members how much Tom's efforts and dedication have been appreciated, not only as a Kiwanian but as a

solid citizen of the Romulus community as well.

There will be no regular Thursday meeting of the club on March 25.

All members are being urged to join in the Inter-Club and Round Table which is being planned for that date. John Wilhide is in charge.

South students get music salute

Students at South Junior High School were treated to a musical salute by representatives of the Belleville High School Musical Department.

Keith Drayton, director, and the vocal groups, sang to a responsive junior high audience.

The orchestra, with Mrs. Helen Joseph leading, treated the audience to a performance which included some great country and western music.

The jazz band, under the toe tapping direction of Greg Heuer had the whole group moving to their stirring renditions.

Drayton acted as emcee for the musical presentation and pointed out that for a successful concert the audience had to participate in the music being presented.

At the conclusion of the program, he indicated that South Junior High School students had done their part in making the concert a success.

Student Activities President Miss Pat Fay, whose group had arranged the presentation, thanked all of the participants and their leaders for the fine afternoon of music.

Eskimos are not as tall as Indians.

Students finish realty course

The names of the graduates of the first real estate course taught at the Astro Realty Company of New Boston were announced Monday.

Having completed the course, the adult graduates took the state examination for Real Estate Salesmen last week. Results of these examinations are expected in a few weeks.

The graduates are: Eugene Perecki, Lucille A. Germain, Helen M. Hamilton, Joseph V. Kormos Jr. and Richard W. Guenthardt.

Others were Floyd J. Bozman, Oscar Warrow, Lee Jackson, Lee Truax, Robert Pelley and Gerald Pichan.

The graduates' names have been placed with real estate brokers in the area and may begin work upon the receipt of their licenses from Lansing.

State Singers coming to Belleville High

Michigan State University's 65-voice State Singers, directed by Dr. Harold Brown, will be heard in concert at 4 p.m. Sunday, March 21, in Belleville High School.

Accompanied by its own brass ensemble, the MSU choir will present a combination of the best secular and sacred music.

Besides performing some of the older choral music, the group also performs recent works by such composers as Poulenc, Nelhybel and two MSU composers—Dr. Jere Hutcheson of the MSU music faculty and Adolphus C. Hailstork, III, a doctoral candidate in music.

The choir and the brass ensemble will open the program with "Jubilate Deo," Written in the 16th century by Giovanni Gabrieli, it is based on Psalm 100.

Using the text from Psalm 117, "Praise the Lord, all ye nations," the State Singers will perform "Laudate Dominum." Soprano Gloria Hill, a sophomore from Detroit, will be the soloist.

Hailstork's "Mourn Not the Dead," which is receiving its premiere performance on this current concert tour, was dedicated to the State Singers and uses a text by Ralph Chaplin. This composition made Hailstork co-winner of the 1970-71 Ernest Bloch Award sponsored by the United Choral Society of Cedarhurst, N.Y.

Hutcheson's "Eldorado" uses a text by Edgar Allen Poe and tells of the young hero who throughout his life seeks the illusive city of gold.

Dr. Brown, an associate professor of music, holds a Ph.D. from Michigan State, a master's degree from Harvard University and bachelor's degrees from Colby College and Westminster Choir College. He joined the MSU music faculty in 1968 after serving on the music faculty of Hillsdale College and Northland College in Wisconsin.

He is a member of the National Association of Teachers of Singing, American Association of University Professors, Music Educators National Conference, Michigan School Vocal Association, and Phi Mu Alpha Sinfonia.

The State Singers' concert tour is part of MSU's Cap and Gown Series, which provides Michigan communities and surrounding states with music and drama by university student and faculty groups. Series coordinator is Ken Beachler.

Membership meeting set

The first general membership meeting of the Romulus Metro International Airport Chamber of Commerce will be held at 7 p.m. March 22 at the Hilton Inn.

Douglas Baum, president of the Romulus Chamber of Commerce reports the agenda will include the forming of committees for Internal Relations, Community Affairs and Business and Industrial Relations.

Huron honor students

Twenty three recently selected members of the Huron High School National Honor Society will be inducted at 8 p.m. Tuesday, March 23.

Edward Rassel, coordinator of the Huron High School's Cooperative Program will address the inductees.

The program, to be followed by an informal refreshment hour honoring the parents of the inductees, is being planned by the present National Honor Society seniors:

Gayle Dilks, Glenn Dragansky, Terri Ferstle,

FLAG BEARERS — Three members of Girl Scout troops based in Romulus display various flags during an international program celebrating Girl Scout Week (March 7-13) at Romulus Senior High School. They are (from left) Daneta McDonald, Cynthia Hutchinson and Shelly Fitzpatrick. Fifteen Girl Scout troops from Romulus elementary schools participated in the program which also featured dance and song.

Ilene Flezar, Vicki Frye, Diane Gall, Don Mittlestat and Nancy Tillotson.

The purpose of the National Honor Society is to pay tribute to outstanding students who have distinguished themselves scholastically and who have shown a desire to render service, leadership and exemplary character during their years at the high school.

Each year, eligible 11th and 12th grade students are determined by reviewing the scholastic average of each student and those who have maintained at least a "B" average are considered for membership.

These students are then rated by the high school faculty in terms of student qualities of Character, Service and Leadership.

Membership is limited by the charter to five per cent of the 11th grade and 15 per cent of the 12th grade.

Parents, friends and interested students are encouraged to attend the March 23 program to be held in the high school lecture auditorium.

Senior inductees are: Pauline DeBacker, David Edge, Janice Friend, Cindy Frye, Vicki Hopkins, Sue Kollever, Cheryl Laurain, Linda LeValley.

Melodie MacKallar, Duane McDavid, Chris Nazarchuk, Karen Nichols, Joan Otter, Cheryl Passini and Melissa Shaw.

Junior inductees are:

"Women in Transition" is featured at Central

Caroline Bird, novelist, journalist and public relations woman, will be the keynote speaker for Associated Women Students Women's (AWS) Week March 22-28. The annual women's activity will be staged on the Central Michigan University campus and will have as its theme, "Woman in Transition."

Miss Bird, the author of the book, Born Female, a fascinating, contemporary study of the "battle of the sexes," will speak in the auditorium of the University Center at 8 p.m. Wednesday, March 24. The topic of her talk is "The Myths That Keep Women Down." It is open to the public without charge.

Co-chairman of the Women's Week is Christine Stopa, a Belleville senior. She points out that while the week is designed for university women, all activities are open to all women of the community. She added that in planning their program they have attempted to involve women of the community in panels, workshop groups and teach-ins.

Among the activities planned are a movie on Monday, March 22, followed by Tuesday's bridal day, which will include a fashion show. Wednesday and Thursday have been set aside for workshops and teachers, and Friday is arts and crafts day.

What to look for when you look for a new house.

This booklet. You can pick it up at any National Bank of Detroit branch office. When you do, you're going to find out how much you can learn.

This booklet will not only answer questions you have about finding and financing a new home. It'll teach you how to ask the right questions. How to evaluate a broker, a house, a purchase agreement, a mortgage. How to determine your actual financial strength.

So if you were expecting a flimsy folder short on tips and long on sales pitch, you were wrong.

But we do admit to an ulterior motive in providing this booklet. We want to publicize our capabilities as a source of mortgage loans.

We want you to be aware of the advantages that go with an NBD mortgage loan. Such as no application fee. And a flat fee for closing (which, on an average mortgage, may save you the price of carpeting a bedroom). An NBD mortgage also offers you liberal prepayment privileges. And faster, more convenient closing because it can be handled at many branch offices. (You don't have to go downtown to buy a home in the suburbs.)

These advantages help explain why NBD makes more mortgage loans than any other banking institution in Michigan. Let us help you. Either by picking up our booklet. Or by letting one of our mortgage lending officers lend you a hand.

The bank to see is NBD. National Bank of Detroit.
